REQUEST FOR MEDICAL DOCUMENTATION FROM MCO

INSTRUCTIONS:

- Please send medical documentation within 48 hours.
- Please use this cover sheet when faxing required medical back to the requesting customer service office.
- Document all reasons why medical was not sent in comment section.

The following medical records are required by BWC for a C-92 Physical Examination

1. Initial visit / ER report for the injury regardless of date
2. All operative reports pertaining to the body part and allowed condition
3. The initial and most recent x-ray report, and any MRI, CT scan, myelogram or bone scan reports
4. Spirometry, cardiac stress test, cardiac catheterization reports, lab studies, and chest x-rays if related to the allowed condition being examined
5. Most recent EMG / NCS reports
6. Consultation reports by physicians
7. Functional capacity evaluation if one has been performed
