

# GENERAL INDUSTRY - SAFETY & HEALTH TRAINING MATRIX

\* This matrix is NOT meant to be all inclusive - Modify to fit your operations

Training Programs	OSHA Standard	Job Classifications/Names										
		GENERAL OFFICE	Pat Stevens	Greg Thomas		PRODUCTION	James Lopezinator	Keith Bullocky	Ranzy Browsinginger	Leslie Walsh	Dave Rollin	
Hazard Communication	1910.1200(h)											
Lockout Tagout Authorized Employee	1910.147(c)(7)(i)(A)											
Lockout Tagout Affected Employee	1910.147(c)(7)(i)(B)											
Lockout Tagout Other Employee	1910.147(c)(7)(i)(C)											
Lockout Tagout Electrical Work	1910.333(b)											
Lockout Tagout periodic inspection	1910.147(c)(6)											
Injury Reporting	1904.35											
Bloodborne Pathogens	1910.1030(e)(5)											
Respirators	134(k)											
Voluntary use of dust masks/filtering facepieces	1910.134(c)(2)(i)											
Personal Protective Equipment	132(f)											
Confined Space Awareness	1910.146(g)											
Confined Space Entry	1910.146(g)											
Hearing Conservation	1910.95(k)											
Cranes	1910.179 - many req's throughout											
Hoists - (NOTE: see ANSI B30.16)	n/a but recommended see note to left											
Sling Inspection	184(d) - inspections											
Powered Industrial Trucks (lift trucks, walk behind, etc).	1910.178(l)											
Chemical Hygiene (for lab operations)	1910.1450(f)											
Hazwoper	1910.120(e)											
Mechanical Power Press - maintenance	1910.217(e)(3)											
Mechanical Power Press - operators	1910.217(f)(2)											
Fire Extinguishers (depends on your EA plan)	1910.157(g)											
Ergonomics (depends on your OSHA log data)	n/a but recommended											
Fall Protection	1910.132(f)											
Ladder Inspection	1910.25(b)(1)(i) .26(c)(2)(iv)											
Welding/cutting/brazing - General	1910.252(a)(2)(xiii)(c)											
Welding/cutting/brazing - Torch	1910.253(a)(4)											
Welding/cutting/brazing - Arc	1910.254(a)(3)											
Welding/cutting/brazing - Resistance (spot)	1910.255(a)(3)											
First Aid	1910.151(b)											
Scissor Lift - (NOTE: Use owners manual at a minimum)	n/a but recommended see note to left											
Boom Lift	1910.67(c)(2)(ii)											
Electrical Safety Related Work Practices (ESRWP)	1910.332(b)											
Electrical Equipment Inspection	1910.334(a)(2)(i)											
Arc Flash	1910.132(f)(1) - general											
Other Electrical	NFPA 70E - see footer											
Emergency Action Plan	1910.38(e)											
Recommended Electrical Training: (2009) NFPA 70E 110.6(A); 110.6(C); 110.6(D)(1); 120; 130. Process Safety Management												OSHA On-Site Consultation 419.295.0040
