

Safety education for construction

BWC invites you to find your pathway to safety at the 2014 Ohio Safety Congress & Expo!

Education is crucial to prepare you and your business for what's ahead. OSC14 offers a variety of educational topics, workshops, skill levels and presenters. Regardless of your line of business or experience, OSC14 has a pathway for you.

From general sessions to the exposition, OSC14 will help you prevent worker injuries, provide better outcomes for injured workers and reduce your workers' compensation costs.

Residential and commercial construction companies will benefit from these educational sessions.

- Aiming for a Strong Safety Culture? Target Behaviors
- Personal Protective Equipment from the Neck Up
- The ABCs of Fall Protection: Live Fall Arrest Demonstration
- The Construction Industry and Safety Accountability

OSC14 is the largest and longest-running occupational safety, health and workers' compensation event in Ohio.

- Free registration
- 200 vendors
- 150 workshops, educational sessions and panel discussions
- Continuing education credits

You may also consider these sessions on your pathway to safety.
