#341 Why Do We Choose At Risk Behaviors? – Basic

8 to 9 a.m. – Thursday, March 29

Gain insight into why employees take chances with safety. Understand the importance of top management not only saying the right things, but also exhibiting the right behaviors. Discuss the age old battle of production vs. safety. You will be able to describe how to get to the root cause of at risk behaviors; explain how adults being visual and hands-on learners impacts safety; and identify the costs to production when safety suffers.
