

## Streaming videos available through Training Network

June 2016

Ohio Bureau of Workers' Compensation, Division of Safety & Hygiene Video Library  
614.644.0018 / [www.bwc.ohio.gov](http://www.bwc.ohio.gov) / E-mail: [library@bwc.state.oh.us](mailto:library@bwc.state.oh.us)

In those cases where the video title differs between BWC and the streaming provider, the difference is noted.

All of these videos are also available to borrow in DVD and/or VHS format.

### Construction

#### **ABC's of Your Personal Fall Arrest System (The ABCs Of Your Personal Fall Arrest System)**

Shows how to properly select and use personal fall arrest systems. Covers both construction and industrial settings. Accompanying guide available. Streaming available in English and Spanish. 2002, 15 minutes. VHS No. 600182.

#### **Aerial Lifts in Industrial and Construction Environments**

Describes the hazards associated with the use of aerial lifts such as boom platforms, aerial ladders and vertical towers. Emphasizes the importance of safe operation, including inspections, set up and travel. Accompanying guide available. Streaming available in English and Spanish. 2013, 15 minutes. DVD No. 400027.

#### **Brian's Story: You Can Make A Difference**

Features Jeff Bell, the father of a young man killed while working on a construction site, speaking about everyone's role in creating a safety culture that prevents such tragedies. 2008, 20 minutes. VHS No. 600108; DVD No. 400108.

#### **Crane Signal Person Basic Training**

Presents an overview of crane signal person roles, responsibilities, signals and safety considerations. Demonstrates hand signals for various kinds of cranes used in construction and voice signals using portable radios. Accompanying guide available. 2011, 17 minutes. VHS No. 600183; DVD No. 400183.

#### **Heat Stress in Construction Environments**

Tells construction workers how to prevent heat-related illnesses by replenishing fluids and electrolytes, acclimatizing, dressing appropriately and paying attention to the body's signals. Accompanying guide available. 2009, 12 minutes. VHS No. 600120; DVD No. 400120.

#### **Safety Bob's Construction Safety Orientation (Safety Bob's Comprehensive Construction Safety Orientation)**

Discusses key safety issues vital to construction workers. Focuses on personal protective equipment, trenching, ladders, scaffolding, fall protection and electricity. Accompanying guide available. Streaming available in English and Spanish. 2013, 24 minutes. DVD No. 400105.

#### **Skid Steer Safety**

Demonstrates safe operating procedures for skid steer loaders. Includes pre-start inspection, working with attachments and preventing rollovers. Accompanying guide available. Streaming available in English and Spanish. 2013, 15 minutes. DVD No. 400033.

#### **Slips, Trips and Falls in Construction Environments**

Examines how to prevent slips, trips and falls. Covers center of gravity and balance, walking surfaces, housekeeping and footwear. Includes how to fall properly and first aid. Accompanying guide available. Streaming available in English and Spanish. 2012, 18 minutes. DVD No. 400011.

## Driving

### **Distracted Driving: At What Cost? (Distracted Driving - At What Cost? (Humorous))**

Emphasizes the importance of controlling distractions while driving, and shows the potential consequences of eating, talking on the phone or taking eyes off the road while driving.

Accompanying guide available. 2004, 16 minutes. VHS No. 650050.

### **Hang Up and Drive (Hang Up and Drive – The Jacy Good Story)**

Features Jacy Good recalling the car crash that killed her parents and left her with brain injury because of another driver using his cell phone. Raises awareness about the dangers of distracted driving. Streaming available in English and Spanish. 2012, 18 minutes. VHS No. 650108; DVD No. 450108.

### **Winter Driving: When the Rules Change**

Illustrates the importance of adjusting driving techniques during the winter. Also covers vehicle preparation, maintaining good visibility and survival supplies and techniques. Accompanying guide available. 2005, 15 minutes. VHS No. 650076; DVD No. 450076.

## Electricity and Lockout/Tagout

### **Basic Electrical Safety in the Workplace (Basic Electrical Safety)**

Familiarizes workers with how electricity works, including circuits and grounding, and promotes safe work practices with electrical tools and equipment. Accompanying guide available. Streaming available in English and Spanish. 2013, 10 minutes. DVD No. 470001.

### **Birthday Wish: Second Chance, No Second Chance (The Birthday Wish)**

Dramatizes how a worker's decision to take a risk and not lock out an electrical panel affects his son's sixth birthday party. Provided in two versions with different endings. 2005, 5 minutes. VHS No. 670053; DVD No. 470053.

### **Electrical Safety**

Teaches employees how to work safely with and around electricity, including how electricity works, recognizing and avoiding common electrical hazards and dealing with an electrical accident.

Accompanying guide available. Streaming available in English and Spanish. 2010, 18 minutes. VHS No. 670017; DVD No. 470017.

### **Electrical Safety for Everyone**

Stresses the importance of knowing how electricity works and explains how workers can prevent becoming part of an energized electrical circuit.

Explains Ohm's law, grounding, ground fault circuit interrupters and responding to a shock event.

Accompanying guide available. Streaming available in English and Spanish. 2014, 21 minutes. DVD No. 470002.

### **Electrical Safety for Non-Electricians (Electrical Safety Awareness for Non-Electricians)**

Provides an introduction to electrical safety, defining terms, discussing hazards and showing examples of unsafe and safe behaviors.

Accompanying guide available. Streaming available in English and Spanish. 2002, 18 minutes. VHS No. 670042; DVD No. 470042.

**Electrical Safety for Qualified Workers**

Addresses the hazards presented by energized electrical parts and how qualified electrical workers can protect themselves through safe work practices. Covers approach boundaries, electric shock, arc flash, personal protective equipment and creating an electrically safe work condition. Accompanying guide available. Streaming available in English and Spanish. 2014, 20 minutes. DVD No. 470018.

**High Impact Safety Training for Qualified Electrical Workers**

Covers safe work practices for qualified electrical workers, including personal protective equipment, approach boundaries, performing live work and de-energizing equipment to minimize burn and shock hazards. Accompanying guide available. Streaming available in English and Spanish. 2002, 20 minutes. VHS No. 670004.

**Laboratory Safety Series: Electrical Safety in the Laboratory (Electrical Safety in the Laboratory)**

Encourages safe electrical work practices in the laboratory. Covers the fundamentals of electrical current and grounding, the use of electrical equipment around flammables and the procedures for electrical emergencies. Accompanying guide available. 2011, 12 minutes. DVD No. 470071.

**Lockout/Tagout Training for Employees**

Reviews lockout/tagout procedures used to control hazardous energy. Also covers the energy control plan, situations requiring lockout/tagout, lockout/tagout devices and special situations. Accompanying guide available. Streaming available in English and Spanish. 2008, 16 minutes. VHS No. 670066; DVD No. 470066.

**Lockout Tagout Would Have Saved His Life**

Describes the purpose of lockout/tagout, the types of hazardous energy sources and energy isolating devices, and the procedures for conducting a proper lockout. Tells the story of Doug Gatewood who lost his life while performing maintenance on a machine. Accompanying guide available. Streaming available in English and Spanish. 2008, 20 minutes. VHS No. 670048; DVD No. 470048.

**Mark Standifer's Electrical Safety Briefing**

Features Mark Standifer, a survivor of an arc flash, speaking on the importance of wearing the personal protective equipment and clothing required by NFPA 70E while performing electrical work. Accompanying guide available. Closed captioned. 2009, 19 minutes. VHS No. 670068; DVD No. 470068.

**More High-Impact Lockout/Tagout Safety Training (More High Impact Lockout/Tagout Safety Training – Non Graphic)**

Provides a basic understanding of the key elements in the lockout/tagout process. Features re-enactments of improper lockout/tagout operations. Accompanying guide available. Streaming available in English and Spanish. 2012, 21 minutes. DVD No. 470072.

**Safe Electrical Work Practices & 2015 NFPA 70E**

Presents an overview of the 2015 edition of NFPA 70E, and describes how it differs from the 2012 edition. Shows how following these guidelines helps keep electrical workers safe. Accompanying guide available. Closed captioned. Streaming available in English and Spanish. 2014, 26 minutes. DVD No. 470013.

## Ergonomics and office safety

### Laboratory Safety Series: Laboratory Ergonomics (Laboratory Ergonomics)

Teaches laboratory employees how good body mechanics and a properly arranged workstation can prevent injuries. Discusses the positioning of tools and materials, maintaining a neutral body position, glove fit, lifting and how to avoid eye, neck and back strain. Accompanying guide available. 2011, 12 minutes. DVD No. 440084.

### Move It Safely: Avoiding Injury While Moving Materials

Reviews the techniques, precautions and work practices required to move objects safely. Covers manual lifting, the use of hand trucks, carts and dollies and working with and around pallet jacks and forklifts. Accompanying guide available. Streaming available in English and Spanish. 2013, 20 minutes. DVD No. 440086.

### Office Injury Prevention

Stresses the importance of a good safety attitude in preventing office injuries. Covers housekeeping, lifting, ergonomics, hygiene, emergency response and slips, trips and falls. Accompanying guide available. Streaming available in English and Spanish. 2009, 18 minutes. VHS No. 640075; DVD No. 440075.

### Office Safety: It's Not Magic

Presents office safety information in an entertaining fashion using magic tricks. Accompanying guide available. 2007, 14 minutes. VHS No. 640068; DVD No. 440068.

### Overexertion: Injury Prevention (Overexertion – Repetitive Motion Injury Awareness & Training)

Creates awareness of the risk factors for strains and sprains. Encourages best practices that address posture, lifting and stretching. 2004, 14 minutes. VHS No. 640069; DVD No. 440069.

## Fire safety and emergency preparedness

### Combustible Dust

Introduces viewers to the hazards of combustible dust, explains the dust explosion pentagon and reviews safe work practices. Accompanying guide available. Streaming available in English and Spanish. 2013, 8 minutes. DVD No. 410001.

### Fire Extinguisher Basic Training (Fire Extinguishers - Basic Training)

Shows how to use fire extinguishers properly and safely. Describes the five basic classes of fire, when to use an extinguisher and the PASS method. Accompanying guide available. Streaming available in English and Spanish. 2009, 14 minutes. VHS No. 610047; DVD No. 410047.

### Fire Safety for Industrial Workers

Describes the safe work practices employees should follow to reduce the risk of industrial fires. Addresses housekeeping, hazardous materials and static electricity. Reviews what to do if a fire should break out. Covers evacuation procedures and fire extinguishers. Accompanying guide available. Streaming available in English and Spanish. 2010, 19 minutes. VHS No. 610051; DVD No. 410051.

### **Industrial Fire Prevention**

Demonstrates how fires start, how to extinguish them and how to prevent them in an industrial environment. Covers flashpoints, classes of fire, fire extinguisher use, flammable materials, sparks and evacuation. Accompanying guide available. Streaming available in English and Spanish. 2003, 21 minutes. VHS No. 610035; DVD No. 410035.

### **Preventing Fires during Hot Work Operations**

Discusses the safe work practices needed to prevent fires caused by welding, cutting, grinding or brazing operations. Reviews the responsibilities of the permit authorizing individual, the fire watch and the hot work operator. Accompanying guide available. Streaming available in English and Spanish. 2014, 15 minutes. DVD No. 410005.

### **Severe Weather Alert: Are You Prepared? (Severe Weather Alert)**

Explains general safety practices and procedures related to severe thunderstorms and tornadoes encountered at work, home, school or on the road. Accompanying guide available. Streaming available in English and Spanish. 2003, 15 minutes. VHS No. 690038; DVD No. 490038.

### **Using Fire Extinguishers [Fire Extinguisher Training(Using Fire Extinguishers)]**

Gives an overview of the proper use of fire extinguishers. Discusses location, maintenance, causes and classes of fire, types of fire extinguishers, and how to extinguish a fire. Accompanying guide available. Streaming available in English and Spanish. 2005, 18 minutes. VHS No. 610036; DVD No. 410036.

## **First aid and health care**

### **Bloodborne Pathogens Training for Employees**

Discusses the hazards associated with bloodborne pathogens, including bloodborne diseases, routes of entry, universal precautions, handling and disposal of contaminated items, responding to exposure situations and decontamination. Accompanying guide available. Streaming available in English and Spanish. 2008, 17 minutes. VHS No. 630122; DVD No. 430122.

### **Cold Stress: Working Safely in Cold Weather**

Describes the common types of cold stress: hypothermia, frostbite and trench foot. Reviews the signs, treatment and prevention. Accompanying guide available. Closed captioned. 2014, 8 minutes. DVD No. 430082.

### **First Aid: Until Help Arrives**

Features Martin L'Esperance demonstrating how to respond in a variety of emergency situations. Covers universal precautions, cardiopulmonary resuscitation (CPR), heart attacks, choking, bleeding, fractures and injury prevention. Accompanying guide available. Streaming available in English and Spanish. 2008, 20 minutes. VHS No. 630118; DVD No. 430118.

### **Laboratory Safety Series: Safety Showers and Eye Washes in the Laboratory (Safety Showers and Eye Washes in the Laboratory)**

Demonstrates how to use safety showers and eye washes in an emergency. Geared to chemical laboratories but applicable to other workplaces as well. Accompanying guide available. 2011, 9 minutes. DVD No. 430132.

### **Preventing the Spread of Contagious Illness**

Presents recommended precautions to reduce the chances of being infected by swine flu, avian flu, severe acute respiratory syndrome (SARS) or methicillin-resistant staphylococcus aureus (MRSA). Describes the symptoms and ways these illnesses are spread. Accompanying guide available. 2009, 21 minutes. VHS No. 630003; DVD No. 430003.

### **Safety Showers and Eye Washes**

Presents an overview of eye washes and safety showers: how they work, how to access and use them in an emergency, and how to maintain them. Accompanying guide available. Streaming available in English and Spanish. 2011, 12 minutes. VHS No. 630007; DVD No. 430007.

### **Understanding & Preventing Heat-Related Illnesses**

Familiarizes viewers with the symptoms of specific heat-related ailments and how to treat them. Describes how heat affects the body and the precautions necessary when working in hot environments. Accompanying guide available. Streaming available in English and Spanish. 2011, 16 minutes. DVD No. 430135.

## **Industrial hygiene**

### **Asbestos Awareness: Do Not Disturb**

Prepares custodians and maintenance workers to deal appropriately with asbestos-containing materials (ACM). Contains three parts: introduction and health effects; types, uses and locations of ACM; and recognizing and avoiding damage to ACM. Accompanying guide available. 2010, 48 minutes. DVD No. 490025.

### **Confined Spaces and the Entry Permit System**

Covers the confined space entry permit system, confined space hazards and the responsibilities of each of the team members. Accompanying guide available. Streaming available in English and Spanish. 2002, 16 minutes. VHS No. 620008; DVD No. 420008.

### **DOT Hazmat General Awareness (DOT General Awareness Training for Handling and Transporting Hazardous Materials)**

Addresses the general awareness training requirements of the hazardous materials requirements (HMR) for those who handle or transport hazardous materials. Covers recognition, packaging, placarding and shipping papers. Accompanying guide available. Streaming available in English and Spanish. 2013, 21 minutes. DVD No. 490078.

### **DOT Hazmat Safety Training (DOT Safety Training for Handling and Transporting Hazardous Materials)**

Focuses on the safety training requirements of the hazardous materials regulations (HMR). Covers hazard information sources, proper work practices and emergency response procedures. Accompanying guide available. Streaming available in English and Spanish. 2013, 21 minutes. DVD No. 490079.

### **DOT Hazmat Security Awareness**

Examines the security awareness training requirements of the hazardous materials regulations (HMR). Describes the security risks involved in handling and transporting hazardous materials, methods to enhance security, identification of threats and specific actions to take during a security breach or attack. Accompanying guide available. Streaming available in English and Spanish. 2013, 16 minutes. DVD No. 490080.

### **Dealing with Hazardous Spills**

Describes the five levels of HAZMAT training and the responsibilities of each level. Demonstrates how to clean up a small spill. Accompanying guide available. Streaming available in English and Spanish. 2001, 23 minutes. VHS No. 690201; DVD No. 490201.

### **GHS Safety Data Sheets**

Explains how the Globally Harmonized System will standardize the format and simplify the language of the material safety data sheet. Gives a section-by-section explanation of the new safety data sheet. Accompanying guide available. Streaming available in English and Spanish. 2012, 16 minutes. VHS No. 690022; DVD No. 490022.

### **Hazard Communication: Your Key to Chemical Safety (Hazard Communication: Your Key to Chemical Safety Update)**

Encourages employees to ask the following questions about hazardous materials: What am I working with? Can it hurt me? How do I protect myself? What do I do if something goes wrong? Updated for the adoption of the Globally Harmonized System (GHS). Accompanying guide available. Streaming available in English and Spanish. 2013, 14 minutes. DVD No. 490002.

### **Hazard Communication & the Global Harmonizing System Employee Training**

Helps employees understand the three key elements of the Globally Harmonized System for Hazard Communication: hazard classification, container labeling and safety data sheets. Accompanying guide available. Streaming available in English and Spanish. 2011, 22 minutes. VHS No. 690056; DVD No. 490056.

### **HAZWOPER: Monitoring Procedures and Equipment**

Familiarizes hazmat workers with the equipment and procedures used to detect and monitor hazardous materials. Covers common types of direct reading and sampling collection instruments and when and how they are used. Accompanying guide available. 1999, 17 minutes. DVD No. 490011.

### **Hearing Conservation Training for Employees**

Explains how noise exposure damages hearing and how to prevent hearing loss through audiometric testing, hearing protection and reducing off-the-job noise exposure. Accompanying guide available. Streaming available in English and Spanish. 2008, 15 minutes. VHS No. 620393; DVD No. 420393.

### **Hydrogen Sulfide Employee Training**

Familiarizes viewers with the hazards of hydrogen sulfide and the precautions necessary to prevent exposure, including respiratory protection, warning sounds and signals and evacuation procedures. Accompanying guide available. Streaming available in English and Spanish. 2010, 21 minutes. DVD No. 490221.

### **Introduction to GHS: The Globally Harmonized System**

Examines the changes that the Globally Harmonized System brings to the Occupational Safety and Health Administration's hazard communication standard: hazard classification, safety data sheets and container labels. Accompanying guide available. 2012, 21 minutes. VHS No. 690020; DVD No. 490020.

**Laboratory Safety Series: Flammables and Explosives in the Laboratory (Flammables and Explosives in the Laboratory)**

Addresses the safe work practices required when working with flammable and explosive chemicals in the laboratory. Includes ventilation, storage, disposal and spills. Accompanying guide available. 2011, 14 minutes. DVD No. 490232.

**Laboratory Safety Series: Handling Compressed Gas Cylinders in the Laboratory (Compressed Gas Cylinders in the Laboratory)**

Instructs lab workers on the safe handling of compressed gas cylinders. Covers the four compression methods, cylinder storage, moving and installation, regulators, pressure relief devices and leak emergencies. Accompanying guide available. 2011, 15 minutes. DVD No. 490234.

**Laboratory Safety Series: Orientation to Laboratory Safety (Orientation to Laboratory Safety)**

Presents an overview of laboratory safety issues: personal protective equipment, laboratory apparatus, lab hoods, chemical storage, disposal and labels, housekeeping and emergencies. Accompanying guide available. 2011, 12 minutes. DVD No. 490223.

**Laboratory Safety Series: Planning for Laboratory Emergencies (Planning for Laboratory Emergencies)**

Encourages lab workers to be prepared for emergencies by becoming familiar with the emergency plan and knowing the steps to take in the event of a spill, fire or explosion. Covers spill cleanup, fire extinguishers, and safety showers and eye washes. Accompanying guide available. 2011, 15 minutes. DVD No. 490233.

**Laboratory Safety Series: Safe Handling of Laboratory Glassware (Safe Handling of Laboratory Glassware)**

Reminds lab workers how to prevent glassware-related accidents. Covers glassware handling and cleanup procedures, cutting and bending glass tubing, vacuum operations and cleaning up after glassware accidents. Accompanying guide available. 2011, 13 minutes. DVD No. 490236.

**Laboratory Safety Series: The OSHA Formaldehyde Standard (OSHA Formaldehyde Standard)**

Reviews the requirements of OSHA's formaldehyde standard. Addresses health hazards, air monitoring, personal protective equipment, labels and emergencies. Accompanying guide available. 2011, 15 minutes. DVD No. 490235.

**Respiratory Protection & Safety (Respiratory Protection & Safety Updated)**

Teaches employees about the various kinds of airborne hazards and their potential effects on the body. Discusses the different types of respirators used to protect against these hazards and proper respirator use and care. Accompanying guide available. Streaming available in English and Spanish. 2006, 24 minutes. VHS No. 620358; DVD No. 420358.

**Survive Inside: Employee Safety in Confined Spaces**

Explains why entering confined spaces can be so hazardous. Covers the entry permit system, the four types of atmospheric hazards, atmospheric testing and monitoring, controlling hazards and the responsibilities of the entry team members. Accompanying guide available. Streaming available in English and Spanish. 2012, 20 minutes. VHS No. 620910; DVD No. 420910.

## Industrial safety

### **Back to Work, Back to Safety: Reestablishing Safety Habits After Time Away From Work (Back to Work – Back to Safety)**

Raises awareness about common contributors to workplace incidents and injuries that workers can experience when they return from vacation or other absence. Accompanying guide available. Streaming available in English and Spanish. 2012, 19 minutes. VHS No. 620915; DVD No. 420915.

### **Cell Phones in the Workplace: A Dangerous Distraction**

Examines how sending and receiving text messages in industrial workplaces can cause workers to lose focus, resulting in injuries. Accompanying guide available. 2011, 15 minutes. DVD No. 421001.

### **Close Calls & Near Misses**

Stresses the importance of reporting close calls and near-miss incidents so that proper action can be taken to improve work conditions and prevent injuries. Features several scenarios as examples. Accompanying guide available. Streaming available in English and Spanish. 2000, 19 minutes. VHS No. 620023; DVD No. 420023.

### **Compressed Air Safety**

Features four workplace incidents that illustrate the hazards of compressed air. Covers dangers of cleaning with compressed air, use of hearing protection in noisy environments, and inspection and maintenance of compressed air equipment and systems. Accompanying guide available. 2001, 15 minutes. VHS No. 620357; DVD No. 420357.

### **Conveyor Safety in the Workplace**

Discusses the various hazards posed by conveyor systems and safe work practices. Features testimonials from workers who have been injured by conveyors. Accompanying guide available. 2002, 18 minutes. VHS No. 620028.

### **Do It for Me!**

Features children encouraging their parents to follow safety rules and wear safety gear at work. Streaming available in English and Spanish. 2007, 16 minutes. VHS No. 620377; DVD No. 420377.

### **Fall Factors: Understanding & Preventing Slips, Trips and Falls (two versions: 19 minutes and 12 minutes)**

Explores the four factors involved in every fall. Describes common slip and trip hazards and recommends safe work practices and techniques to keep viewers upright, stable and balanced. Accompanying guide available. Streaming available in English and Spanish. 2011. VHS No. 620430; DVD No. 420430; DVD No. 420431 (concise version).

### **First Step (The First Step)**

Features a young woman who lost her leg in a workplace accident emphasizing that the first step in not being hurt is knowing that you can be. Geared to younger workers. Streaming available in English and Spanish. 2008, 5 minutes. VHS No. 620009; DVD No. 420009.

### **Forklift Safety Lessons for the Safe Operator**

Promotes the safe work practices that operators must follow to avoid injuries and property damage. Covers training, inspections, mounting and exiting, the stability triangle and pedestrians. Accompanying guide available. Streaming available in English and Spanish. 2012, 15 minutes. VHS No. 620913; DVD No. 420913.

**Forklift Safety Lessons for the Safe Pedestrian**

Shows the precautions pedestrians must take to prevent the serious injuries that can occur when working around powered industrial trucks.

Accompanying guide available. Streaming available in English and Spanish. 2012, 15 minutes. VHS No. 621004; DVD No. 421004.

**Good Housekeeping: Everyone's Responsibility**

Reviews basic housekeeping practices that can prevent fires, improve productivity and eliminate conditions that contribute to slips, trips and falls. Includes segments on personal hygiene and housekeeping in offices and break areas.

Accompanying guide available. Streaming available in English and Spanish. 2013, 18 minutes. DVD No. 420920.

**Handle With Care: Forklift Safety Training**

Aims to raise forklift operators' everyday safety awareness. Covers inspections, stability, safe operation, and loading trucks and trailers.

Accompanying guide available. Streaming available in English and Spanish. 2008, 20 minutes. VHS No. 620390; DVD No. 420390.

**Hazards of Long Hair, Loose Clothing & Jewelry (The Hazards of Long Hair, Loose Clothing & Jewelry)**

Explains how long hair, loose clothing and jewelry can get tangled in moving parts and machinery, and how to prevent these types of accidents.

Accompanying guide available. 2000, 13 minutes. VHS No. 620005; DVD No. 420005.

**High Impact Welding Safety**

Recreates six accidents to illustrate potential hazards of welding and cutting operations. Also covers personal protective equipment, equipment use, ventilation and the handling of cylinders.

Accompanying guide available. Streaming available in English and Spanish. 1997, 17 minutes. VHS No. 620270.

**Hooked on Safety: My World with Billy Robbins (Billy Robbins' Hooked on Safety 'My World')**

Features Billy Robbins describing his own workplace accident and urging the creation of accident-free workplaces through motivation and commitment.

Streaming available in English and Spanish. 2007, 18 minutes. VHS No. 620380; DVD No. 420380.

**I Chose to Look the Other Way (I Chose To Look The Other Way Non Graphic)**

Encourages employees to speak up about unsafe acts. Based on the safety poem by Don Merrell, tells the story of a worker who chose to look the other way and allowed the death of a co-worker to occur.

2002, 12 minutes. VHS No. 620029; DVD No. 420029.

**Incident Investigation**

Describes the purpose of incident investigation and the skills and techniques required. Discusses how to identify root causes of incidents and develop corrective measures. Accompanying guide available.

2007, 18 minutes. VHS No. 620364; DVD No. 420364.

**Industrial Crane Safety**

Offers crane operators an introduction to the safe operation of cranes, including pre-operational inspections, rigging components and making the lift.

Accompanying guide available. Streaming available in English and Spanish. 2007, 21 minutes. VHS No. 620353; DVD No. 420353.

**Job Safety Analysis, Safety Awareness & You**

Begins by examining the process of using job safety analysis to recognize and control workplace hazards. Then describes the concept of safety awareness and its components, hazard recognition and situational awareness. Accompanying guide available. Streaming available in English and Spanish. 2013, 17 minutes. DVD No. 420437.

**Just a Second Ago: The Brad Livingston Story**

Features Brad Livingston relating how a decision to take a shortcut led to the death of a co-worker, life-changing injuries to himself, and grief and trauma to his family. Streaming available in English and Spanish. 2009, 21 minutes. VHS No. 620018; DVD No. 420018.

**Knife Safety in the Workplace**

Presents safe work practices for a variety of industrial and food-processing knives. Covers sharpening and changing blades, the hazards of dull blades, cut-resistant gloves and the consequences of knife injuries. Accompanying guide available. Streaming available in English and Spanish. 2004, 16 minutes. VHS No. 620421; DVD No. 420421.

**Ladder Safety (Ladder Safety Techniques)**

Promotes the safe use of step and straight ladders. Presents six steps for safe ladder use. Accompanying guide available. Streaming available in English and Spanish. 2013, 17 minutes. DVD No. 420039.

**Lessons Learned from Hand Injuries (Lessons Learned From Hand Injuries - Non Graphic)**

Features re-enactments of workplace hand injury incidents to encourage safe work practices. Covers protective gloves, nip points, entanglement hazards, assist devices, and hand and power tools. Accompanying guide available. Streaming available in English and Spanish. 2010, 19 minutes. VHS No. 620086; DVD No. 420086.

**Machine Guarding & Operator Safety**

Describes machine hazards such as the point of operation and power sources, and encourages safe work practices. Familiarizes viewers with the various types of guards, interlocks, safety devices and controls. Accompanying guide available. Streaming available in English and Spanish. 2014, 18 minutes. DVD No. 420070.

**Maintaining Your Safety (Maintaining Your Safety - Non Graphic)**

Focuses on best safety practices for industrial maintenance workers. Covers lockout/tagout, electrical work, ladders, elevated work platforms, fall arrest equipment, tools and resisting the pressure to "fix it fast." Accompanying guide available. Streaming available in English and Spanish. 2010, 20 minutes. VHS No. 620065; DVD No. 420065.

**Making Safety Work: An Overview of Workplace Safety & Employee Responsibilities (Making Safety Work: An Overview of Workplace Safety)**

Provides an overview of common workplace hazards and how they can be controlled. Includes lockout/tagout, personal protective equipment and hazard communication. Demonstrates how easily injuries can occur. Accompanying guide available. Streaming available in English and Spanish. 2013, 20 minutes. DVD No. 420924.

**More High Impact Forklift Safety**

Examines several tragic lift truck incidents and shows how to avoid similar scenarios by following safe operating practices. Emphasizes operator responsibility. Accompanying guide available. Streaming available in English and Spanish. 2004, 20 minutes. VHS No. 620411; DVD No. 420411.

**Operating Electric Pallet Jacks Safely**

Discusses how to operate electric-powered pallet jacks safely, so operators can deliver their loads while avoiding injury and property damage. Covers both walkie and rider pallet trucks. Accompanying guide available. Streaming available in English and Spanish. 2005, 15 minutes. VHS No. 620447; DVD No. 420447.

**PPE: Head to Toe**

Reviews the basics of personal protective equipment, including employer and employee responsibilities. Addresses PPE for head, eyes, hearing, breathing, body, hands and feet. Accompanying guide available. Streaming available in English and Spanish. 2007, 15 minutes. VHS No. 620395; DVD No. 420395.

**PPE: Wear It for You -- David's Been Hurt (PPE: Wear It for You)**

Features the true story of David Dyck, a worker whose life was saved by the personal protective equipment (PPE) he was wearing. Challenges viewers to wear PPE for ourselves and our families. Accompanying guide available. Streaming available in English and Spanish. 2011, 12 minutes. DVD No. 420017.

**PPE: Your Last Layer of Protection**

Discusses the selection and use of common types of personal protective equipment (PPE), including protection for the eyes and face, head, feet, hands and hearing. Features worker testimonials about the importance of wearing PPE. Accompanying guide available. Streaming available in English and Spanish. 2013, 19 minutes. VHS No. 620919; DVD No. 420919.

**Pedestrian Safety in Industry – Concise Version (High Impact Pedestrian Safety)**

Encourages increased awareness of walking hazards in the industrial environment. Covers workplace signs, slips and falls, material handling equipment, overhead hazards and parking lots. Accompanying guide available. 2000, 7 minutes.

Full-length version (17 minutes): VHS No. 620356; DVD No. 420356.

**Practical Approach to Ladder Safety (A Practical Approach to Ladder Safety)**

Provides basic precautions to keep workers safe when using ladders. Presents practical tips for both common and special situations. Accompanying guide available. Streaming available in English and Spanish. 2006, 19 minutes. VHS No. 620347; DVD No. 420347.

**Protecting Our Sight (two versions: 18 minutes and 9 minutes)**

Discusses how the eyes work, common types of eye injuries and how to prevent them, types of eye protection available for a variety of hazards and first aid for injuries. Accompanying guide available. 2011, 18 minutes. VHS No. 620027; DVD No. 420027; DVD No. 420030 (concise version).

**Responsibility: Stay in Control of Your Safety**

Illustrates how workers should prevent outside forces like time, emotions, peer pressure or distractions from taking control of their safety. Accompanying guide available. 2014, 9 minutes. DVD No. 420300.

### **Safe Operation of Scissor & Boom Lifts**

Discusses the safe operation of elevated work platforms, showing a variety of lifts in various industrial environments. Covers operator training, stability, inspection, safe driving and fall prevention. Accompanying guide available. Streaming available in English and Spanish. 2006, 19 minutes. VHS No. 620338; DVD No. 420338.

### **Safe Use & Operation of Industrial Cranes**

Reviews the safe operating practices common to all industrial cranes, including pre-operational inspection, inspection of chains and slings, rigging the load, lifting and transporting the load and the use of hand signals and taglines. Accompanying guide available. Streaming available in English and Spanish. 2014, 20 minutes. DVD No. 420330.

### **Safety Carol (A Safety Carol)**

Adapts the seasonal story to convey a message about safety in the workplace. Tells the story of Ernest Scrooge and Jacob Marley who thought following safety procedures was a waste of time. Accompanying guide available. 2013, 23 minutes. DVD No. 420441.

### **Safety Decision Making: Overcoming Human Nature**

Features Tom Harvey explaining why working safely goes against human nature and how organizations can encourage safe decision making and discourage unsafe behavior. Accompanying guide available. Streaming available in English and Spanish. 2012, 19 minutes. VHS No. 620037; DVD No. 420037.

### **Safety Housekeeping and Accident Prevention (Housekeeping and Accident Prevention)**

Presents the keys to working safely in an industrial environment. Addresses the following topics: attitude, clutter, tools and equipment, hazardous materials and personal protective equipment. Accompanying guide available. Streaming available in English and Spanish. 2010, 13 minutes. VHS No. 620415; DVD No. 420415.

### **Safety's Most Wanted**

Investigates the tendencies and modes of operation of three injury instigators: uncorrected hazards, shortcuts and complacency. Shows how these culprits can be defeated to prevent injuries at work and at home. 2006, 15 minutes. VHS No. 620346; DVD No. 420346.

### **Safety's Most Wanted, Episode II: The Accomplices**

Shines the spotlight on three more injury-causing culprits: horseplay, apathy and the cowboy. Shows how each of these safety villains requires accomplices and must be defeated. Streaming available in English and Spanish. 2007, 19 minutes. VHS No. 620369; DVD No. 420369.

### **Safety's Top 10 Causes of Workplace Injury (Safety's Top 10)**

Reviews the top 10 causes of workplace injuries and, more importantly, reminds viewers how these injuries can be prevented. Accompanying guide available. Streaming available in English and Spanish. 2010, 20 minutes. VHS No. 620414; DVD No. 420414.

**Sandy's Story: Complacency in the Workplace  
(Complacency in the Workplace)**

Features a mother sharing the story of her son being killed on the job by a machine that was not locked out. Emphasizes each worker's responsibility for their own safety and highlights the effect on family and friends when a worker dies.

Accompanying guide available. 2014, 10 minutes. DVD No. 420096.

**Scissor Lifts in Industrial and Construction Environments**

Describes the hazards associated with the use of scissor lifts. Emphasizes the importance of safe operation, including inspections and set up.

Accompanying guide available. Streaming available in English and Spanish. 2013, 13 minutes. DVD No. 420435.

**Shattered: The Jeff Walters Story**

Features Jeff Walters relating the story of his 19 foot fall from a moving conveyor onto a concrete floor. Warns that taking shortcuts is not worth the risk. Streaming available in English and Spanish.

2010, 16 minutes. VHS No. 620128; DVD No. 420128.

**Slips, Trips and Falls (Slips, Trips and Falls Update)**

Presents the three principles involved with slips, trips and falls: gravity, friction and momentum.

Discusses common causes and prevention of slips, trips and falls, including walking surfaces and footwear issues. Accompanying guide available.

Streaming available in English and Spanish. 2004, 17 minutes. VHS No. 620316; DVD No. 420316.

**Stored Energy: The Hidden Hazard**

Raises awareness about the stored energy hazards of things such as loaded pallets, bulk material, cables, doors and heavy equipment found in receiving areas, warehouses and maintenance areas. Includes section on railcars. Accompanying guide available. Streaming available in English and Spanish. 2007, 18 minutes. VHS No. 620374; DVD No. 420374.

**Surviving the Fall: The Proper Use of Your Personal Fall Arrest System**

Demonstrates actual fall events and rescues to emphasize the importance of recommended practices for safely working at height. Covers the components of the personal fall arrest system, forces generated during a fall, fall limiting devices and suspension trauma. Accompanying guide available. Streaming available in English and Spanish. 2012, 20 minutes. VHS No: 620035; DVD No. 420035.

**Take Time for Safety**

Focuses on how working safely is always more important than saving time and how rushing leads to risky behavior. Urges viewers to plan ahead, manage time and maintain concentration.

Streaming available in English and Spanish. 2011, 16 minutes. VHS No. 620427; DVD No. 420427.

**Thank You**

Features friends and family members saying thank you to the co-workers who have helped keep their loved ones safe by correcting hazards and speaking up about unsafe behaviors. 2006, 4 minutes. VHS No. 620349; DVD No. 420349.

### **That's Why You Wear Eye Protection**

Discusses various types of eye-protection devices and how they help prevent injuries. Emphasizes the importance of wearing the proper eye protection for each job task. Accompanying guide available. Streaming available in English and Spanish. 2004, 17 minutes. VHS No. 620327.

### **Welding & Cutting Torch Safety**

Reviews safety procedures for experienced oxygen/acetylene welders. Focuses on the safe use of the equipment. Describes the recommended personal protective equipment. Accompanying guide available. Streaming available in English and Spanish. 2011, 16 minutes. DVD No. 420434.

### **What Would You Say?**

Demonstrates how to approach co-workers about their unsafe behaviors. Recommends constructive comments that stay positive, express concern, relate the consequences and focus on the specific problem. Streaming available in English and Spanish. 2005, 17 minutes. VHS No. 620331.

## **Social and behavioral workplace issues**

### **Active Shooter and Workplace Violence**

Familiarizes viewers with basic response practices when encountering workplace violence. Includes indicators of potentially violent behavior, how to respond to violent behavior and how to respond in an active shooter situation. Accompanying guide available. Streaming available in English and Spanish. 2014, 10 minutes. DVD No. 400026.

### **Conflict Resolution in Industrial Facilities (Conflict Resolution - Industrial)**

Encourages employees to limit and resolve conflicts. Discusses types of conflicts, strategies to resolve conflicts and defuse confrontations, and the consequences of unresolved conflicts. Accompanying guide available. Streaming available in English and Spanish. 2007, 17 minutes. VHS No. 700072; DVD No. 400072.

### **Conflict Resolution in the Office (Conflict Resolution - Office)**

Encourages office workers to limit and resolve conflicts. Discusses types of conflicts, strategies to resolve conflicts and defuse confrontations, and the consequences of unresolved conflicts. Accompanying guide available. Streaming available in English and Spanish. 2007, 17 minutes. VHS No. 700073; DVD No. 400073.

### **Dealing with Drug and Alcohol Abuse...for Employees**

Presents information about substance use and abuse, including commonly used drugs, dependency and recovery. Addresses drug-free workplace policies and what to do if an employee suspects a co-worker of substance use on the job. Accompanying guide available. Streaming available in English and Spanish. 2006, 19 minutes. VHS No. 700064; DVD No. 400064.

### **Preventing Harassment: Creating a Positive Workplace (Prevent Harassment: Creating a Positive Workplace (Industrial))**

Illustrates common types of harassment and how it affects the industrial workplace. Describes how to respond to harassment and how to prevent your own behavior from being construed as harassment. Accompanying guide available. Streaming available in English and Spanish. 2011, 21 minutes. VHS No. 700148; DVD No. 400148.

### **Workplace Harassment in Industrial Facilities**

Addresses all types of harassment: verbal abuse, threats, harassment and violence, sexual harassment and stalking. Illustrates with examples and offers strategies. Accompanying guide available. Streaming available in English and Spanish. 2007, 17 minutes. VHS No. 700141; DVD No. 400141.

### **Workplace Harassment in the Office**

Addresses all types of harassment: verbal abuse, threats, harassment and violence, sexual harassment and stalking. Illustrates with examples and offers strategies. Accompanying guide available. Streaming available in English and Spanish. 2007, 17 minutes. VHS No. 700142; DVD No. 400142.

### **Workplace Stress**

Offers practical and effective stress-fighting techniques such as awareness of causes, relaxation and stretching exercises, a positive attitude, a healthy lifestyle and talking about problems. Accompanying guide available. Streaming available in English and Spanish. 2014, 14 minutes. DVD No. 460117.

## **Supervisors**

### **Principle to Practice with David Lynn (Principle to Practice with David Lynn CSP)**

Features David Lynn discussing successful techniques that safety leaders can use to put into practice the five key safety principles of the Occupational Safety and Health Administration's Voluntary Protection Program. Prepares safety leaders to change safety attitudes and culture in their organizations. Accompanying guide available. 2012, 25 minutes. VHS No. 660078; DVD No. 460078.

## **Miscellaneous**

### **101 Days of Summer Safety (101 Days of Summer)**

Provides safety tips for common summertime activities, such as vacation driving, sports, yard maintenance, swimming and boating. Accompanying guide available. Streaming available in English and Spanish. 2008, 20 minutes. VHS No. 690204; DVD No. 490204.

### **Kevin Bailey Story (The Kevin Bailey Story)**

Recreates the traumatic accident that occurred on a farm in northeastern Ohio. Features interviews with Kevin Bailey, his family and those who treated him for his injuries. Streaming available in English and Spanish. 2001, 15 minutes. VHS No. 690172; DVD No. 490172.

### **Landscape Power Tool Safety**

Describes the safe operation of four of the most widely-used landscape power tools: chain saws, string trimmers, blowers and pole saws. Stresses the use of personal protective equipment. Accompanying guide available. 2009, 22 minutes. DVD No. 490016.

### **Safety Procedures for Lawn Mower Operators**

Addresses general safety issues for workers who operate lawn mowers, including pre-operational inspection, personal protective equipment and mowing around the public. Offers specific guidelines for operating walk-behind and ride-on mowers. Accompanying guide available. 2009, 20 minutes. DVD No. 490017.

### **String Trimmer Safety**

Presents safety procedures for landscape workers who operate string trimmers. Covers pre-and post-operational inspection and maintenance, personal protective equipment and safe operation. Accompanying guide available. 2009, 16 minutes. DVD No. 490098.

**Take Safety Home! (Take Safety Home: Preventing Off-The-Job Injuries)**

Features Martin Lesperance, retired firefighter and paramedic, recalling true stories of off-the-job incidents resulting in injuries and deaths, and encouraging workers to take workplace safety practices home. Accompanying guide available. Streaming available in English and Spanish. 2009, 20 minutes. VHS No. 690001; DVD No. 490001.

**Video Guide to Chain Saw Safety (Chain Saw Safety for Landscape Operators)**

Demonstrates how to use chain saws effectively and safely in landscape maintenance. Includes personal protective equipment, safety features, maintenance tips and safe operation. Accompanying guide available. 2007, 23 minutes. VHS No. 690173; DVD No. 490173.

**Winter Safety**

Presents off-the-job safety information for winter weather and the holidays. Covers warm clothing, shoveling snow, driving, fire safety and holiday parties. Accompanying guide available. 2009, 16 minutes. VHS No. 690214; DVD No. 490214.

**Winter Walking: Staying on Your Feet**

Demonstrates techniques for walking safely on snow- and ice-covered surfaces. Alerts viewers to specific winter walking hazards such as snow banks, shady areas and building entrances. Accompanying guide available. Streaming available in English and Spanish. 2013, 10 minutes. DVD No. 490138.
