#535 What's Your CQ: Cultural Intelligence? – Intermediate

2:30 to 3:30 p.m. – Thursday, March 29

You've heard of IQ, intellectual intelligence and EQ, emotional intelligence, but the key to effectively identifying and navigating work cultures is CQ - cultural intelligence. In this session participants will learn about how work cultures evolve, to recognize their own personal style, to assess the culture of their team, department or organization and navigate within various cultures while remaining authentic. You will be able to describe how work cultures evolve; recognize various personal styles; explain how to assess the culture of a team, department or organization; and describe ways to navigate within various cultures while remaining authentic.
