

Wendy Queen

Business Consultant, Southeastern Ohio

With more than 25 years of experience in the Ohio workers' compensation system, Wendy has extensive knowledge of BWC services and programs available to employers. She began her career as a student employee and then took a promotion to a clerk's position. In the mid-1990s, Wendy joined the Employer Services Division as an employer service specialist. In this position, she helped numerous employers implement cost-savings programs and risk-management strategies.

As a regional business consultant, Wendy's duties include working with employers in southeastern Ohio to implement proven risk-management strategies through various cost-control programs. She also partners with associations and trade groups to share updates and bring industry feedback to BWC executive management while focusing on growth and retention of business in Ohio.

Wendy earned her Bachelor of Science in business administration from Shawnee State University and her Master of Business Administration from the University of Findlay.

Wendy resides in Scioto County.
