| AOT, Inc. | \$20,900.00 | AOT Inc. received a safety intervention grant totaling \$20,900 for the purchase of a bridge crane to reduce or eliminate the risk of injury associated with handling product from the assembly line. |
| Bula Forge & Machine, Inc. | \$40,000.00 | Bula Forge & Machine Inc. received a safety intervention grant totaling \$40,000 for the purchase of high speed motion activated doors with bi-directional alert systems to reduce or eliminate the risk of injury associated with forklift and pedestrian collisions. |
| Bulk Molding Compounds, Inc. | \$40,000.00 | Bulk Molding Compounds Inc. received a safety intervention grant totaling \$40,000 for the purchase of vacuum lift systems, jib cranes, standing jib columns, switches and miscellaneous hardware to reduce or eliminate the risk of injury related to lifting bags, boxes and buckets of product. |
| City of Parma Heights | \$40,000.00 | City of Parma Heights received a safety intervention grant totaling \$40,000 for the purchase of power stretchers and stairchairs to reduce or eliminate the risk of injury related to handling patients in the course of EMS runs. |

BWC SafetyGRANT\$ Awards
FY 2008 (July 1, 2007 - June 30, 2008)

| Employer Name | Grant Amount | Grant Description |
|------------------------------------|--------------|---|
| Cornwell Quality Tools Co. | \$40,000.00 | Cornwell Quality Tools Inc. received a safety intervention grant totaling \$40,000 for the purchase of transfer and lift tables, platform stackers and a hoist to reduce or eliminate the risk of injury from material handling. |
| Crescent Manufacturing Company | \$40,000.00 | Crescent Manufacturing Company received a safety intervention grant totaling \$40,000 for the purchase of bridge cranes and hoists to reduce or eliminate the risk of injury associated with material handling activities. |
| Current Cuisine | \$3,117.11 | Current Cuisine received a safety intervention grant totaling \$3,711.11 for the purchase of a gravity fed meat slicer which includes a tapered permanent guard covering the non-slicing portion of the knife to reduce or eliminate the risk of injury due to slicing deli meats. |
| DK Manufacturing Frazeysburg, Inc. | \$40,000.00 | DK Manufacturing Frazeysburg Inc. received a safety intervention grant totaling \$40,000 for the purchase of a robot and robot interface plug to reduce or eliminate the risk of injury associated with the injection molding task. |
| DK Manufacturing Lancaster, Inc. | \$40,000.00 | DK Manufacturing Lancaster, Inc. received a safety intervention grant totaling \$40,000 for the purchase of robot and robot interface plug to reduce or eliminate the risk of injury associated with the injection molding task. |
| Eastern Area Specialty Transport | \$40,000.00 | Eastern Area Specialty Transport received a safety intervention grant totaling \$40,000 for the purchase of powered cots, IV poles and stair chair to reduce or eliminate the risk of injury associated with moving patients from their homes to medical facilities and returning them. |
| Eaton Fabricating, Inc. | \$35,144.00 | Eaton Fabricating Inc. received a safety intervention grant totaling \$35,144 for the purchase of hydraulic powered press to reduce or eliminate the risk of injury associated with pressing of PEM nuts onto metal parts. |
| Empire Die Casting Co., Inc. | \$20,640.00 | Empire Die Casting Co. Inc. received a safety intervention grant totaling \$20,640 for the purchase of a robot unit and safety circuit to reduce or eliminate the risk of injury associated with the exposure to molten metal and sharp metal flashing in the die casting operation. |
| E-Wynn, Inc. | \$34,960.00 | E-Wynn, Inc. received a safety intervention grant totaling \$34,960 for the purchase of a platform height boom lift and a single person lift with outriggers to reduce or eliminate the risk of injury such as strains/sprains of the shoulder, back and arms while performing window cleaning. |
| G, J & J Inc | \$18,171.20 | G, J & J Inc. received a safety intervention grant totaling \$18,171.20 for the purchase of a stacker to reduce or eliminate the risk of injury associated with the routine stacking of pallets. |
| Gasko Fabricated Products Co | \$3,535.71 | Gasko Fabricated Products Co. received a safety intervention grant totaling \$3,535.71 for the purchase of a counterbalanced lift to reduce or eliminate the risk of injury associated with moving and lifting large rolls of material in the manufacturing process. |
| Gasser Chair Company, Inc. | \$39,386.40 | Gasser Chair Company Inc. received a safety intervention grant totaling \$39,386.40 for the purchase of a programmable indexer, ergonomic work stations and a easy arm to reduce or eliminate the risk of injury associated with material handling. |
| GFS Chemicals Inc | \$9,653.00 | GFS Chemicals Inc. received a safety intervention grant totaling \$9,653 for the purchase of drum handlers and a drum palletizer/pourer to reduce or eliminate the risk of injury associated with handling and moving of chemical drums. |

BWC Safety GRANT\$ Awards
FY 2008 (July 1, 2007 - June 30, 2008)

| Employer Name | Grant Amount | Grant Description |
|---|--------------|---|
| Hayes Lemmerz International Inc. | \$13,916.80 | Hayes Lemmerz International Inc. received a safety intervention grant totaling \$13,926.90 for the purchase of a ceiling mounted crane, air hoist and pneumatic grabs to reduce or eliminate the risk of injury related to handling of product. |
| Hillcrest Ambulance Service, Inc. | \$40,000.00 | Hillcrest Ambulance Service Inc. received a safety intervention grant totaling \$40,000 for the purchase of power cots and stair chairs to reduce or eliminate the risk of injury associated with transporting patients using outdated equipment. |
| Industrial Fiberglass Specialties, Inc. | \$40,000.00 | Industrial Fiberglass Specialties, Inc. received a safety intervention grant totaling \$40,000 for the purchase of conveyor tables, tool balancers, cantilever bridge hoist with lifting device, and parts pallet with a part indexing device to reduce or eliminate the risk of injury associated with the coating and painting of steel vault covers. |
| Jaro Transportation Services, Inc. | \$16,202.00 | Jaro Transportation Services Inc. received a safety intervention grant totaling \$16,202 for the purchase of steps and tee stakes to reduce or eliminate the risk of injury associated with the mounting and dismounting of trailers to secure loads. |
| LAM PAM Enterprises | \$14,697.60 | LAM PAM Enterprises received a safety intervention grant totaling \$14,697.60 to purchase ice machines with remote condensers to reduce or eliminate the risk of injury associated with slips and falls involving ice or ice melt from the transfer of ice in the operation. |
| Lexington Rubber Group, Inc, | \$17,232.64 | Lexington Rubber Group, Inc. received a safety intervention grant totaling \$17,232.63 to purchase a utility cleaner and industrial tank to reduce or eliminate the risk of injury resulting from slippery steps/floors. |
| Maca Plastics, Inc. | \$38,320.00 | Maca Plastics Inc. received a safety intervention grant for \$38,320 to purchase a part removal robot to reduce or eliminate the risk of injury associated with manual cutting in the trim operation. |
| Mark A. Mondo Building & Excavating, Inc. | \$40,000.00 | Mark A. Mondo Building & Excavating, Inc. received a safety intervention grant for \$40,000 to purchase a laser screed machine to reduce or eliminate the risk of injury associated with screeding and dragging concrete. |
| Neff Motivation Inc | \$40,000.00 | Neff Motivation received a safety intervention grant for \$40,000 to purchase pneumatic clamps, modification of existing frames, and an air compressor to reduce or eliminate the risk of injury associated with the manufacture of product. |
| Nick Strimbu Inc. | \$36,828.00 | Nick Strimbu Inc. received a safety intervention grant for \$36,828 to purchase handle ratchets and ratcheting winch bars to reduce or eliminate the risk of injury associated with securing truck loads. |
| Norwich Township | \$15,603.20 | Norwich Township received a safety intervention grant totaling \$15,603.20 for the purchase of chair cots to reduce or eliminate the risk of injury associated with moving patients from their homes or place of accident to the hospital. |
| Pitney Bowes | \$33,570.24 | Pitney Bowes received a safety intervention grant totaling \$33,570.24 for the purchase of electric skid lifts and batteries for the lifts to reduce or eliminate the risk of injury associated with lifting trays of mail from a pallet onto a sorting machine. |

BWC SafetyGRANT\$ Awards
FY 2008 (July 1, 2007 - June 30, 2008)

| Employer Name | Grant Amount | Grant Description |
|--|--------------|--|
| Quadco Rehabilitation Center, Inc. | \$40,000.00 | Quadco Rehabilitation Center Inc. received a safety intervention grant totaling \$40,000 for the purchase of electric/hydraulic lift tables, hydraulic lift table carts and solid side base material handling plastic totes to reduce or eliminate the risk of injury associated with bending and squatting while accessing parts. |
| Sandusky County of Ohio | \$27,155.20 | Sandusky County of Ohio received a safety intervention grant totaling \$27,155.20 for the purchase of cots, body systems, and stairchairs to reduce or eliminate risk of injury associated with moving of patients from their homes or place of accident to the hospital. |
| Shaffer Metal Fab, Inc. | \$34,666.40 | Shaffer Metal Fab Inc. received a safety intervention grant totaling \$34,666.40 for the purchase of cranes with runways and mechanical vacuum lifters to reduce or eliminate the risk of injury associated with loading and unloading of turret presses and lasers. |
| Taylor Made Glass Systems | \$40,000.00 | Taylor Made Glass Systems received a safety intervention grant totaling \$40,000 for the purchase of manipulators to reduce or eliminate the risk of injury associated with lifting/handling glass. |
| Toledo Zoo | \$34,375.20 | Toledo Zoo received a safety intervention grant totaling \$34,375.20 to build wooden platforms strategically placed throughout the exhibit to reduce or eliminate the risk of injury while cleaning the exhibit. |
| Truax Printing, Inc. | \$3,177.60 | Truax Printing Inc. received a safety intervention grant totaling \$3,177.60 for the purchase of a dock leveler to reduce or eliminate the risk of injury in the shipping/receiving area. |
| Village of Union City | \$8,324.56 | Village of Union City received a safety intervention grant totaling \$8,324.56 for the purchase of a power cot to reduce or eliminate the risk of injury associated with lifting patients. |
| Visiting Nurse Association Home Health | \$4,210.80 | Visiting Nurse Association Home Health received a safety intervention grant totaling \$4,210.80 for the purchase of transfer boards to reduce or eliminate the risk of injury associated with lateral transfer of cooperative patients. |
| Visiting Nurse Association Care Plus | \$20,800.00 | Visiting Nurse Association Care Plus received a safety intervention grant totaling \$20,800 for the purchase of lift devices to reduce or eliminate the risk of injury associated with the transfer of cooperative patients. |
| Visiting Nurse Association Hospice | \$13,220.00 | Visiting Nurse Association Hospice received a safety intervention grant totaling \$13,220 for the purchase of transfer devices and air supplies to reduce or eliminate the risk of injury with the lateral transfer of cooperative patients. |
| Visiting Nurse Association Mid Ohio | \$4,760.00 | Visiting Nurse Association Mid Ohio received a safety intervention grant totaling \$4,760 for the purchase of slide transfer devices to reduce or eliminate the risk of injury associated with the lateral transfer of cooperative patients. |
| Able Medical Transport | \$39,587.62 | ABLE Medical Transport of South Ohio LLC received a safety intervention grant totaling \$39,587.62 for the purchase of power cots and stair chairs to reduce or eliminate risk of injury resulting from the handling of patients. |
| Action Group Inc. | \$40,000.00 | Action Group Inc. received a safety intervention grant totaling \$40,000 to purchase overhead crane systems to reduce or eliminate the risk of injury resulting from manual lifting. |

BWC SafetyGRANT\$ Awards
FY 2008 (July 1, 2007 - June 30, 2008)

| Employer Name | Grant Amount | Grant Description |
|----------------------------------|--------------|--|
| Albums Inc. | \$20,608.00 | Albums Inc. received a safety intervention grant totaling \$20,608 for the purchase of upgraded foil stamping machines to reduce or eliminate risk of injury when operating foil stamping equipment. |
| August Corso Sons Inc. | \$40,000.00 | August Corso Sons Inc. received a safety intervention grant totaling \$40,000 for the purchase of plant trimming machines and a potting machine to reduce or eliminate risk of injury resulting from the handling and trimming of plants. |
| BPR/Rico Manufacturing Inc. | \$10,440.00 | BPR/Rico Manufacturing Inc. received a safety intervention grant totaling \$10,440 for the purchase of jib cranes to reduce or eliminate risk of injury resulting from handling material in the assembly process. |
| C. Nelson Manufacturing Co. Inc. | \$36,124.80 | C. Nelson Manufacturing Co. Inc. received a safety intervention grant totaling \$36,124.80 for the purchase of an overhead crane system with hoists and vacuum lift to reduce or eliminate risk of injury when handling material in the manufacturing process. |
| Cameo Countertops Inc. | \$9,327.20 | Cameo Countertops Inc. received a safety intervention grant totaling \$9,327.20 for the purchase table saws with electronic detection system to reduce or eliminate risk of injury when cutting wood. |
| City of Ashland | \$36,141.12 | City of Ashland received a safety intervention grant totaling \$36,141.12 for the purchase of power cots and stair chairs to reduce or eliminate risk of injury resulting from the handling of patients. |
| City of Brook Park | \$34,842.00 | City of Brook Park received a safety intervention grant totaling \$34,842 for the purchase of power cots and stair chairs to reduce or eliminate risk of injury resulting from the handling of patients. |
| City of Brooklyn | \$30,522.00 | City of Brooklyn received a safety intervention grant totaling \$30,522 for the purchase of power cots to reduce or eliminate risk of injury resulting from the handling of patients. |
| City of Canton | \$25,263.20 | City of Canton received a safety intervention grant totaling \$25,263.20 for the purchase of a bariatric cot and cot loading system, power stretchers, and patient transfer boards to reduce or eliminate risk of injury resulting from handling patients in the course of EMS runs. |
| City of Mayfield Heights | \$9,516.00 | City of Mayfield Heights received a safety intervention grant totaling \$9,516 for the purchase of a power stretcher with accessories to reduce or eliminate risk of injury from transporting patients. |
| City of Mentor | \$24,553.60 | City of Mentor on the Lake received a safety intervention grant totaling \$24,553.60 for the purchase of a power stretchers and stair chairs to reduce or eliminate risk of injury resulting from the transporting of patients. |
| City of Piqua | \$32,142.56 | City of Piqua received a safety intervention grant totaling \$32,142.56 for the purchase of power stretchers to reduce or eliminate risk of injury resulting from handling patients in the course of EMS runs. |
| City of Steubenville | \$8,120.40 | City of Steubenville received a safety intervention grant totaling \$8,120.40 for the purchase of office furniture for police dispatchers to reduce or eliminate risk of injury related to poor office furniture age and arrangements. |
| Clovernook Center | \$7,254.80 | Clovernook Center (The) received a safety intervention grant totaling \$7,254.80 for the design, manufacture and installation of a platen rotating device to reduce or eliminate risk of injury when performing heavy material handling. |

BWC Safety GRANT Awards
FY 2008 (July 1, 2007 - June 30, 2008)

| Employer Name | Grant Amount | Grant Description |
|------------------------------------|--------------|--|
| Compco Columbiana Co. | \$40,000.00 | Compco Columbiana Company received a safety intervention grant totaling \$40,000 for the purchase of a robot to automatically feed parts into the press and stack to reduce or eliminate risk of injury when lifting and stacking tank heads. |
| Coshocton Trucking Inc. | \$38,920.00 | Coshocton Trucking Inc. received a safety intervention grant totaling \$38,920.00 for the purchase of a wireless portable lift system and hi-rise vehicle supports to reduce or eliminate risk of injury when repairing trucks. |
| Courtesy Ambulance Inc. | \$40,000.00 | Courtesy Ambulance Inc. received a safety intervention grant totaling \$40,000 for the purchase 4 bariatric wheelchairs and power winch systems to reduce or eliminate risk of injury associated with the moving of patients. |
| Dayton Door Sales Inc. | \$40,000.00 | Dayton Door Sales Inc. received a safety intervention grant totaling \$40,000 for the purchase of lifts and trailers to reduce or eliminate risk of injury resulting from the installation of overhead doors. |
| East End Welding | \$40,000.00 | East End Welding received a safety intervention grant totaling \$40,000 for the purchase of an automatic indexing high speed band saw machine to reduce or eliminate risk of injury when loading a band saw. |
| Eliza Jennings Inc. | \$6,994.32 | Eliza Jennings Inc. received a safety intervention grant totaling \$6,994.32 for the purchase of a trash compactor, garage door, and tilt trucks to reduce or eliminate risk of injury resulting from lifting garbage bags. |
| Fabri-Form Company (The) | \$30,584.00 | Fabri-Form Company (The) received a safety intervention grant totaling \$30,584 for the purchase of single action tilters and scissors lifts to reduce or eliminate risk of injury resulting from material handling of sheet stock. |
| Fostoria City Schools | \$18,511.20 | Fostoria City Schools received a safety intervention grant totaling \$18,511.20 for the purchase of cleaning systems and a no touch cleaning system and a salt spreader to reduce or eliminate risk of injury related to walking and working on surfaces with the accumulation of ice and water. |
| Gladden Community House | \$3,196.00 | Gladden Community House received a safety intervention grant totaling \$3,196 for the purchase of a gate lift for their truck to reduce or eliminate risk of injury when handling food pallets from stores to their facility. |
| Hamilton County Court Reporters | \$36,802.96 | Hamilton County Court Reporters received a safety intervention grant totaling \$36,802.96 for the purchase of an upgraded steno machine to reduce or eliminate risk of injury from the repetitive motion of stenographic typing on old machines. |
| Harbor Castings Inc. | \$39,203.00 | Harbor Castings Inc. received a safety intervention grant totaling \$39,203 for the purchase of a barrel blast machine, a scalping drum, work benches, and a crane and hoist to reduce or eliminate risk of injury resulting from material handling and dust in eyes. |
| Holzer Medical Center | \$28,315.90 | Holzer Medical Center received a safety intervention grant totaling \$28,315.90 for the purchase of a lift gate, axle load trailer, office lift truck and stand up scrubbers to reduce or eliminate risk of injury when handling heavy equipment and performing floor cleaning operations. |
| Jaro Transportation Services, Inc. | \$23,798.00 | Jaro Transportation Services Inc. received a safety intervention grant totaling \$23,798 for the purchase of quick draw tarping systems with headboard access doors to flatbed trailers to reduce or eliminate risk of injury when placing a tarp over the steel product. |

BWC SafetyGRANT\$ Awards
FY 2008 (July 1, 2007 - June 30, 2008)

| Employer Name | Grant Amount | Grant Description |
|------------------------------------|--------------|--|
| King Tool & Mfg Company Inc. | \$31,891.20 | King Tool & Mfg Company Inc. received a safety intervention grant totaling \$31,891.20 for the purchase of milling machines to reduce or eliminate risk of injury associated with changing of tools in their mills. |
| Lifeteam EMS Inc. | \$8,647.42 | Lifeteam EMS Inc. received a safety intervention grant totaling \$8,647.42 for the purchase of stair chairs to reduce or eliminate risk of injury resulting from handling patients. |
| Madison Township/Richland County | \$17,292.80 | Madison Township/Richland County received a safety intervention grant totaling \$17,292.80 for the purchase of a new 17.5 pound pneumatic operated combination tool to reduce or eliminate risk of injury resulting from the use of a 69 pound hydraulic operated "jaws of life." |
| Mattingly Food Inc. | \$40,000.00 | Mattingly Foods Inc. received a safety intervention grant totaling \$40,000 for the purchase of wheel hand carts to reduce or eliminate risk of injury when moving product. |
| Mid America Tire of Hillsboro Inc. | \$32,697.69 | Mid America Tire of Hillsboro Inc. received a safety intervention grant totaling \$32,697.69 for the purchase of tire lifts and vertical racking systems to reduce or eliminate risk of injury when lifting and handling tires. |
| Minteq International Inc. | \$36,753.60 | Minteq International Inc. received a safety intervention grant totaling \$36,753.60 for the purchase of a pneumatic operated manipulator system to reduce or eliminate risk of injury resulting from the handling and threading of heavy parts. |
| Moritz Concrete, Inc. | \$20,285.92 | Moritz Concrete Inc. received a safety intervention grant totaling \$20,285.92 for the purchase of aluminum chutes to reduce or eliminate risk of injury when lifting. |
| Orval Kent Food Companies | \$40,000.00 | Orval Kent Food Companies received a safety intervention grant totaling \$40,000 for the purchase and installation of dock locks and leveling systems to reduce or eliminate risk of injury resulting from the use of a manual dock plate system. |
| Paysource Inc. | \$33,639.16 | Paysource Inc. received a safety intervention grant totaling \$33,639.16 for the purchase of a vacuum lift, material movers and a cooling and piping system to reduce or eliminate risk of injury when moving and lifting large amounts of butter and cheese in the course of their operations at Minerva Cheese. |
| Pentaflex Inc. | \$31,992.00 | Pentaflex Inc. received a safety intervention grant totaling \$31,992 for the design and build of an ergonomically adjustable conveyor system and work station to reduce or eliminate risk of injury resulting from the handling and manufacture of machine parts. |
| Pucel Enterprises Inc. | \$40,000.00 | Pucel Enterprises Inc. received a safety intervention grant totaling \$40,000 for the purchase of powder spray equipment, curing ovens, spray washers & conveyor systems and material handling equipment to reduce or eliminate risk of injury resulting from the manufacturing and assembling of cabinets, containers, and carts. |
| Quality Care Transport | \$40,000.00 | Quality Care Transport received a safety intervention grant totaling \$40,000 for the purchase of powered cots to reduce or eliminate risk of injury associated with the moving of patients. |
| R & J Cylinder & Machine Inc. | \$12,071.33 | R & J Cylinder & Machine Inc. received a safety intervention grant totaling \$12,071.33 for the purchase of jib cranes to reduce or eliminate risk of cuts. |
| R & L Excavating Inc. | \$34,728.80 | R & L Excavating Inc. received a safety intervention grant totaling \$34,728.80 for the purchase of a low rise trailer and a sliding tilt trailer to reduce or eliminate the risk of injury when laying pipe and loading a backhoe. |

BWC Safety GRANT\$ Awards
FY 2008 (July 1, 2007 - June 30, 2008)

| Employer Name | Grant Amount | Grant Description |
|---------------------------------------|--------------|---|
| Rieter Automotive North American Inc. | \$35,873.60 | Rieter Automotive North American Inc. received a safety intervention grant totaling \$35,873.60 for the purchase of a new guarding system and machine interlocks to prevent unauthorized removal to reduce or eliminate risk of injury resulting from inadequate machine guarding. |
| Rivercity Woodworking Inc. | \$3,796.80 | Rivercity Woodworking Inc. received a safety intervention grant totaling \$3,796.80 for the purchase of a table saw with an electronic detection system to reduce or eliminate risk of injury when working on a table saw. |
| Roemer Industries Inc | \$14,868.00 | Roemer Industries Inc. received a safety intervention grant totaling \$14,868 for the purchase of a heavy duty screenmaker to reduce or eliminate risk of injury resulting from repetitive and difficult lifting and material handling procedures. |
| SOS Cleaning | \$17,992.93 | SOS Cleaning received a safety intervention grant totaling \$17,992.93 for the purchase of a dual surface machine and a tandem axle trailer with rear ramp to reduce or eliminate risk of injury resulting from repetitive motion, awkward and static postures, and forces associated with the detailed cleaning process. |
| Scioto Ambulance District | \$38,531.94 | Scioto Ambulance District received a safety intervention grant totaling \$38,531.94 for the purchase of 4 powered cots and related accessories to reduce or eliminate risk of injury associated with the moving of patients. |
| Stark Metropolitan Housing Authority | \$16,986.40 | Stark Metropolitan Housing Authority received a safety intervention grant totaling \$16,986.40 for the purchase of easy glide ladder racks to be placed on top of their fleet of maintenance vehicles to reduce or eliminate risk of injury resulting from awkward climbing required when placing a ladder back onto the truck. |
| VEKA Innovations | \$40,000.00 | VEKA Innovations received a safety intervention grant totaling \$40,000 for the purchase of a ventilation system to reduce or eliminate the risk of injury or illness resulting from exposure to toxic gas/vapor on the extrusion line. |
| Wade's Woodworking Inc. | \$39,036.80 | Wade's Woodworking Inc. received a safety intervention grant totaling \$39,036.80 for the purchase of vacuum lifting systems with cranes to reduce or eliminate risk of injury when lifting cabinets. |
| Ward Masonry LLC | \$40,000.00 | Ward Masonry LLC received a safety intervention grant totaling \$40,000 for the purchase of mobile scaffolding power units to reduce or eliminate risk of injury resulting from manually building scaffold. |
