

4123-15-08 Remedial action against persons exercising improper influence and engaging in favoritism.

Upon receipt of information indicating a violation of rule 4123-15-07 of the Administrative Code, to ensure appropriate corrective action, the industrial commission or the administrator, as the case may be, shall take every action to ensure the matter is investigated, and, provided the circumstances warrant it, shall notify the office of deputy inspector general for the bureau of workers' compensation and industrial commission, and any other appropriate agency or official.

Effective: 2/15/08

Prior Effective Dates: 1/1/78, 8/15/07
