The applicant agency must have at least two staff members with access to the BWC [Grant Management Portal/Oracle Intelligent Advisor \(OIA\)](#) system to submit this application. One staff member must be the principal investigator. The link will be provided to the principal investigator identified above to establish agency access to the application once the NOIAF has been processed.

Applicants must submit proof of non-profit status and proof of liability coverage. Applicants are also required to set-up and maintain their current supplier information in the State of Ohio Supplier Portal at <http://supplier.ohio.gov>. This information includes, but is not limited to, Electronic Funds Transfer (EFT), W-9. Recipients' future payments will be held if the agency receives a paper check due to the EFT information not being properly maintained in the supplier portal.
