

# Cincinnati - Governor's Hill Customer Service Office

The Ohio Bureau of Workers' Compensation offers more than 74 occupational safety, health and ergonomic courses for Ohio employees to attend. Classes are available online and held throughout the state at our regional service offices.

One of the benefits for employers with active workers' compensation coverage is there is no additional charge to register their employees for classes. The following is a list of courses available online and at the Governor's Hill Customer Service Office. **A listing of courses offered at our other service offices can be found in our Safety Services Catalog online at [www.bwc.ohio.gov/catalog](http://www.bwc.ohio.gov/catalog) under the education and training services section.**

- Accident Analysis
- Avoiding Back Trauma
- A Five-Step Process for Preventing Work-Related Musculoskeletal Disorders (WMSDs) in your Workplace
- NEW!** Developing a Safety Culture
- Food Service Safety
- Hazard Communication 2012 Basics: Labeling, Safety Data Sheets and Pictograms
- Health Hazards in Construction
- NEW!** Industrial Hygiene Overview: Recognizing Occupational Health Hazards
- NEW!** Introduction to OSHA
- Ladder/Stairway Safety
- Office Ergonomics: Computer Workstation & Mobile Computing
- OSHA Recordkeeping 101
- Preventing Cuts and Lacerations
- Preventing Slips/Trips/Falls
