

BWC Safety Grants Awards
FY12 (July 1, 2011 - June 30, 2012)

EMPLOYER NAME	WARRANT AMT	DESCRIPTION
A & G Mfg Co Inc	\$550.00	DFSP
A & H Trucking Inc	\$1,050.00	DFSP
Abrams Home Furnishings	\$150.00	DFSP
Abrams Home Furnishings II	\$450.00	DFSP
Abrams Home Furnishings III	\$150.00	DFSP
Abrasive Technology	\$40,000.00	Abrasive Technology received \$40,000 to purchase a robot and automation system to reduce or eliminate the risk of musculoskeletal disorders associated with repetitive motion from medical manufacturing processes.
Accurate Mechanical, Inc.	\$25,790.20	Accurate Mechanical received \$25,790.20 to purchase a lift gate, powered stair climbers, powered carts, enclosed trailer, material lifts, material hoists and industrial furniture movers to reduce or eliminate the risk of injury related to manual material handling, such as sprains/strains, including slips/trips & falls.
Acorn Hospitality Management LLC	\$616.00	DFSP
Advanced Industrial Roofing, Inc.	\$5,349.75	Advanced Industrial Roofing received \$5,349.75 to purchase a pace cart to reduce or eliminate the ergonomic risk factors associated to awkward postures and repetitive motion, in addition to the potential for strains/sprains.
AEY Electric	\$700.00	DFSP
Akron Energy Systems, LLC	\$1,600.00	DFSP
Akron Porcelain & Plastics	\$750.00	DFSP
Alenne Corporation	\$36,376.83	Key Construction received \$1,016.94 to purchase an adjustable workbench and anti-fatigue mat to reduce or eliminate the ergonomic stress injuries related to repetitive motion, static posture and prolonged standing.
All American Sports Corp.	\$3,793.33	All American Sports received \$3,793.33 to purchase a manual work positioner to reduce or eliminate the risk of injury related to knife cuts and ergonomic risks from awkward postures and repetitive motions.
Allied Builders Inc.	\$750.00	DFSP
Aluminum Extruded Shapes, Inc.	\$550.00	DFSP
Aluminum Line Products Co.	\$11,668.89	Aluminum Line Products received \$11,668.89 to purchase a vacuum lift system to reduce or eliminate the risk of injury related to manual material handling, such as sprains/strains, in addition to slips/trips & falls.
American Environmental Group Ltd	\$1,359.50	DFSP
American Guard Co., Inc.	\$234.00	DFSP
Anchors Away Marina Corp	\$800.00	DFSP
Anderson Township Board of Trustees	\$40,000.00	Anderson Township Board of Trustees, in Hamilton County, received \$40,000 towards purchase of 4 powered load systems for cots to reduce or eliminate the risk of injury related to manually lifting and loading/unloading patients into emergency vehicles.
Archbold Refuse Service, Inc.	\$40,000.00	Archbold Refuse Service received \$40,000 to purchase hydraulic container lock systems to reduce or eliminate the risk of injury related to manual material handling as yard containers are pushed/pulled to trucks and manually locked in place prior to dumping.

BWC Safety Grants Awards
FY12 (July 1, 2011 - June 30, 2012)

EMPLOYER NAME	WARRANT AMT	DESCRIPTION
ASESCO Inc	\$675.00	DFSP
ASW Global, LLC	\$1,200.00	DFSP
Axis Construction LLC	\$550.00	DFSP
Ayers Mechanical Group	\$625.00	DFSP
B A Romines Sheet Metal Inc	\$800.00	DFSP
Barbasol LLC	\$40,000.00	Barbasol received \$40,000 to purchase a bulk handling system to reduce or eliminate the risk of injury related to manual material handling, repetitive motion and slips/trips & falls.
Bard Manufacturing Company, Inc.	\$40,000.00	Bard Manufacturing Company received \$40,000 to purchase a powered conveyor system to reduce or eliminate the risk of injury related to manual material handling as HVAC equipment weighing between 100lbs-700lbs is manually pushed down assembly lines on gravity conveyor systems.
Bobb Automotive Inc.	\$24,753.19	Bobb Automotive received \$24,753.19 to purchase a tire changer and wheel balancer to reduce or eliminate the risk of injury related to manual material handling, forceful exertions and awkward postures.
Boyd's Tire, Inc.	\$31,179.11	Boyd's Tire received \$31,179.11 to purchase a tire changer with wheel lift and wheel balancer with lift to reduce or eliminate the risk of injury related to manual material handling, forceful exertions and awkward postures.
Bral Land Corporation	\$23,658.00	Bral Land Corporation received \$23,658 to purchase a pallet wrapper and air balancer to reduce or eliminate the risk of injury related to manual material handling, such as sprains/strains and slips/trips & falls.
Brewster Village	\$550.00	DFSP
Buckeye Cablevision, Inc.	\$3,925.00	DFSP
Buckeye Heating & Air Conditioning Supply	\$135.00	DFSP
Buckeye Tire Co-Columbus, Inc.	\$28,315.80	Buckeye Tire Company received \$28,315.80 to purchase a tire balancer with wheel lift and tire changer to reduce or eliminate the risk of injury related to material handling, forceful exertions and awkward postures.
Bucyrus Road Materials, Inc.	\$9,726.67	Bucyrus Road Materials received \$9,726.67 to purchase an asphalt cold planer with skid steer mount to reduce or eliminate the risk of injury related to manual material handling and excessive force used while repairing streets and roadways, such as strains/sprains.
Business on the Move	\$750.00	DFSP
Canei Roofing & Construction, LLC	\$9,972.23	Canei Roofing & Construction received \$9,972.23 to purchase an automatic welding machine with portable generator, and tall & short boy screw guns to reduce or eliminate the risk of injury & cumulative trauma disorders related to manual material handling, awkward postures, forceful exertions and repetitive motion.

BWC Safety Grants Awards
FY12 (July 1, 2011 - June 30, 2012)

EMPLOYER NAME	WARRANT AMT	DESCRIPTION
Carey Exempted Village School	\$10,386.67	Carey Exempted Village Schools received \$10,386.67 to purchase lightweight tables to reduce or eliminate the risk of injury related to manual material handling, such as sprains/strains to the hip, back and shoulders, in addition to pinch points as employee's set-up and breakdown existing heavy weight tables.
Carroll Electric Cooperative, Inc.	\$1,100.00	DFSP
Central Ohio Recovery Inc.	\$375.00	DFSP
Champion Doors	\$17,282.00	Champion Doors received \$17,282 to purchase flat-top tilt tables to reduce or eliminate the risk of injury related to manual material handling, such as sprains/strains.
City of Avon	\$300.00	DFSP
City of Bedford fire Department	\$28,937.33	The City of Bedford Fire Department received \$28,937.33 to purchase 2 cot loading systems to reduce or eliminate the risk of injury related to manual handling of patients as they are loaded and unloaded into emergency vehicles.
City of Bellefontaine	\$40,000.00	The City of Bellefontaine received \$40,000 to purchase a belly saw, blade kit and valve insertion package to reduce or eliminate the risk of injury related to slips/trips & falls, excessive force and awkward postures while performing maintenance and repairs to water lines and fire hydrants.
City of Brooklyn	\$9,478.00	The City of Brooklyn received \$9,478 to purchase a powered load system for cots to reduce or eliminate the risk of injury related to manually lifting and loading / unloading patients into emergency vehicles.
City of Dover	\$33,326.67	The City of Dover received ,326.67 to purchase 2 cot loading systems to reduce or eliminate the risk of injury related to manual handling of patients as they are loaded and unloaded into emergency vehicles.
City of Monroe	\$27,666.67	The City of Monroe received \$27,666.67 to purchase a hydro-excavation system and hydraulics trailer to reduce or eliminate the ergonomic risk factors associated to manually exercising water/sewer system valves such as repetitive motion, excessive force, and awkward postures in addition to the hazards related to exposure to extreme weather and traffic conditions.
City of Newton Falls	\$10,870.00	The City of Newton Falls, Water Division, in Trumbull County, received \$10,870 to purchase a hydraulic trash pump, hydraulic chain saw and hydraulic impact wrench to reduce or eliminate the risk of injury to the upper extremities related to manual material handling, excessive force, repetition and awkward postures, in addition to exposure to exhaust fumes from current gas powered saw.

BWC Safety Grants Awards
FY12 (July 1, 2011 - June 30, 2012)

EMPLOYER NAME	WARRANT AMT	DESCRIPTION
City of Port Clinton	\$22,807.33	The City of Port Clinton received \$22,807.33 to purchase a vacuum excavation system to reduce or eliminate the musculoskeletal disorders associated to excavation work, such as sprains/strains, as well as contusions, lacerations, hypothermia, heat exhaustion/stroke, and possible entrapment due to trench collapse.
City of Willard	\$1,095.00	DFSP
Clark Reliance Corp	\$1,780.00	DFSP
Clark Reliance Corporation	\$40,000.00	Clark Reliance Corporation received \$40,000 to purchase a 16-spindle tightening machine to reduce or eliminate the risk of musculoskeletal disorders related to vibration and repetitive motion.
Cleveland Thermal Holdings, LLC	\$6,755.72	Cleveland Thermal Holdings received \$6,755.72 to purchase hand trucks and a mobile drum carrier/palletizer to reduce or eliminate the risk of injury related to manual material handling as 40 gal drums, weighing in excess of 300lbs are maneuvered by hand.
Clovernook Center for the Blind/Visually Impaired	\$8,280.00	Clovernook received \$8,280 to purchase dehumidifiers to reduce or eliminate the risk of injury related to mold exposure, such as upper respiratory problems.
Community Blood Center/Community Tissue Services	\$40,000.00	CBC/CTS received \$40,000 to purchase rail-gates, automated interior door openers, electric carts, stair climber and roller conveyors to reduce or eliminate the risk of injury related to manual material handling, such as sprains/strains and slips/trips & falls that could occur during the delivery process of various products.
Continental Concession Supplies, Inc.	\$1,075.00	DFSP
Coppeler Heating & Electric, Inc.	\$4,566.67	Coppeler Heating & Electric received \$4,566.67 to purchase a powered stair climber w/attachments to reduce or eliminate the risk of injury related to manual material handling, such as sprains/strains and slips/trips & falls that could occur during the delivery process of various equipment.
Countryside Veterinary Service Inc	\$4,031.24	Countryside Veterinary Service received \$4,031.24 to purchase mobile examination/transport tables to reduce or eliminate the risk of injury related to manual handling of animals for examination, such as sprains/strains and animal bites.
CPI Industrial Co.	\$500.00	DFSP
Crawford Machine Inc	\$11,646.67	Crawford Machine received \$11,646.67 to purchase pneumatic collet open/close attachments to reduce or eliminate the risk of cumulative trauma disorders related to repetitive motion, forceful exertion and awkward postures.
Crooksville Exempted Village School District	\$9,638.13	Crooksville Exempted Village School District received \$9,638.13 to purchase a scissors lift to reduce or eliminate the risk of injury related to maintenance work performed at elevated heights, such as slips/trips & falls.
Cuyahoga County Public Library	\$4,464.67	The Cuyahoga County Public Library received \$4,464.67 to purchase 12 automatic tape shooters to reduce or eliminate the risk of musculoskeletal disorders related to repetitive motion.

BWC Safety Grants Awards
FY12 (July 1, 2011 - June 30, 2012)

EMPLOYER NAME	WARRANT AMT	DESCRIPTION
Dayton Wheel Concepts, Inc.	\$5,546.67	Dayton Wheel Concepts received 5,546.67 to purchase cordless shut-off impact torque tools to reduce or eliminate the risk of cumulative trauma injuries related to repetitive motion, forceful exertions and awkward postures.
DCT Workplace Interiors, LLC	\$40,000.00	DCT received \$40,000 to purchase scissors tables, appliance lifting straps, powered hand trucks, panel carts and Tyga boxes w/wheels to reduce or eliminate the risk of injury related to manual material handling.
DDFC, LLC	\$250.00	DFSP
Diamond Crystal Brands	\$40,000.00	Diamond Crystal Brands received \$40,000 to purchase a product conveyor to reduce or eliminate the risk of injury related to manual material handling, repetitive motion and awkward postures, such as sprains/strains and musculoskeletal disorders.
Dick Lavy Trucking, Inc.	\$9,602.47	Dick Lavy Trucking received \$9,602.47 to purchase "anti-slip gritting" for steps on large sized trucks to reduce or eliminate the risk of injury related to slips/trips & falls.
Dodds Monuments, Inc.	\$40,000.00	Dodds Monuments Inc received \$40,000 to purchase a sandblast unit (2) to reduce or eliminate the risk of musculoskeletal disorders related to repetitive motion, overexposures to silica, and noise.
Don Mould's Plantation, Inc.	\$500.00	DFSP
Dover Chemical Corp	\$1,050.00	DFSP
Dragon Metal Products Co.	\$405.00	DFSP
Eagle Specialty Vehicles, LLC	\$1,100.00	DFSP
Eaton Township	\$2,033.33	Eaton Township received \$2,033.33 to purchase 30 ground protection mats (lawn boards) to reduce or eliminate the risk of injury related to manual material handling; sprains/strains from lifting, loading, maneuvering, and transporting large pieces of plywood to create burial walkways.
E-Cycle, LLC	\$775.00	DFSP
Edgell Jackson Trucking LLC	\$257.50	DFSP
Elford, Inc.	\$8,240.00	Elford received \$8,240 to purchase 4', 6' and 8' platform ladders to reduce or eliminate the risk of injury related to slips/trips & falls.
Elida Local School District	\$22,273.07	Elida LSD received \$40,000 to purchase a granulator to reduce or eliminate the risk of injury related to manual material handling, such as sprains/strains, slips/trips & falls and cuts or lacerations.
Enclosure Suppliers, LLC	\$3,283.33	Enclosure Suppliers received \$3,283.33 to purchase a punch press to reduce or eliminate the risk of injury to the upper extremities related to hand/wrist deviations and repetitive motion, as well as static work postures, vibration, dust and noise exposures.
Erie Blacktop, Inc.	\$360.00	DFSP
F. Buddie Contracting, Ltd.	\$325.00	DFSP
Fiorilli Construction Co., Inc.	\$850.00	DFSP
Focused Management Experts, Inc.	\$676.41	DFSP
G.A.G. Inc.	\$40,000.00	G.A.G. received \$40,000 to purchase a mulch mule to reduce or eliminate the risk of injury related to manual material handling as strains/sprains, in addition to repetitive motion, slips/trips & falls and exposure to vehicular traffic.

BWC Safety Grants Awards
FY12 (July 1, 2011 - June 30, 2012)

EMPLOYER NAME	WARRANT AMT	DESCRIPTION
Gahm's Inc.	\$15,376.76	Gahm's received \$15,376.76 to purchase a tire changer with retractable air reels to reduce or eliminate the risk of injury related to manual material handling, forceful exertions and awkward postures.
Gasser Chair Company, Inc.	\$400.00	DFSP
Gibbs Equipment, Inc.	\$10,997.33	Gibbs Equipment received \$10,997.33 to purchase equipment lifts to reduce or eliminate the risk of injury related to awkward postures, twisting and bending for extended periods of time due to the nature of tractor/mower repair work. Employer is in the commercial industry and sells and services lawn & farm equipment.
GK Packaging	\$800.00	DFSP
Glassworks Plus, Inc.	\$500.00	DFSP
Goodwill Industries of SC Ohio	\$34,945.67	Goodwill Industries of South Central Ohio received requesting \$34,945.67 to purchase tilt masters (tilt lifters), poly tubs w/spring platforms and steel carts to reduce or eliminate the ergonomic risk factors associated to manual material handling, repetitive motion, and awkward postures.
Graceworks Enhanced Living	\$17,200.00	Graceworks Enhanced Living received \$17,200 to purchase a stair lift to reduce or eliminate the ergonomic risk factors associated with manually assisting disabled individuals up and down stairs, in addition to strains/sprains and slips/trips & falls.
Grandview Heights	\$3,833.33	City of Grandview Heights received \$3,833.33 to purchase 2 lift gates to reduce or eliminate the risk of injury related to manual material handling, such as sprains/strains.
Granville Corporation	\$1,100.00	DFSP
Granville Milling Company	\$21,043.33	Granville Milling Company received \$21,043.33 to purchase an electronic grain probe to reduce or eliminate the risk of injury related to slips/trips & falls, repetitive motion and awkward postures while climbing trucks to reach grain for testing.
Great Lakes Architectural Service Systems, Inc.	\$21,450.00	Great Lakes Architectural Service Systems received \$21,450 to purchase 5 spindle vertical edging machine to reduce or eliminate the risk of musculoskeletal disorders related to excessive force, vibration, repetitive motion, dust and strains/sprains.
Greenville City Schools	\$17,110.27	Greenville City Schools received \$17,110.27 to purchase automated doors for school buses to reduce or eliminate the risk of musculoskeletal disorders related to repetitive motion.
GTM Service, Inc.	\$1,300.00	DFSP
Gummer Wholesale, Inc.	\$6,439.16	Gummer Wholesale received \$6,439.16 to purchase electric pallet trucks (2) to reduce or eliminate the risk of injury related to manual material handling, including forceful exertions and awkward postures while loading/unloading product from trucks.
Gummer Wholesale, Inc.	\$3,072.03	Gummer received \$3,072.03 to purchase portable & flexible nylon skate conveyor to reduce or eliminate the risk of injury related to manual material handling, such as sprains/strains.

BWC Safety Grants Awards
FY12 (July 1, 2011 - June 30, 2012)

EMPLOYER NAME	WARRANT AMT	DESCRIPTION
Harry & David Operations, Inc.	\$18,789.00	Harry & David Operations received \$18,789 to purchase 30 portable conveyors to reduce or eliminate the risk of injury related to manual material handling, such as sprains/strains in addition to cuts/lacerations.
Hendricks Vacuum Forming	\$550.00	DFSP
Heritage Cooperative, Inc.	\$40,000.00	Heritage Cooperative received \$40,000 to purchase a central vacuum system to reduce or eliminate strains and sprains from handling loose grain. It will also reduce the hazard of airborne dust.
Highland Heights	\$30,600.00	Highland Heights received \$30,600 to purchase 2 powered load systems for cots to reduce or eliminate the risk of injury related to manually lifting and loading patients into emergency vehicles.
Horizons Inc.	\$40,000.00	Horizons Cooperative received \$40,000 to purchase an automated dome placement system to reduce or eliminate the risk of musculoskeletal disorders related to the manual assembly process of electrical switches.
Howland Corners Town & Country Veterinary Hospital	\$3,318.67	Howland Corners Town & Country Veterinary Hospital received \$3,318.67 to purchase mobile examination/transport tables to reduce or eliminate the risk of injury related to manual handling of animals for examination, such as sprains/strains and animal bites.
Integral Wall Systems LLC	\$1,080.00	DFSP
J & B Acoustical, Inc.	\$1,475.00	DFSP
J. A. McMahon Inc.	\$375.00	DFSP
J. Construction Company, Inc.	\$1,300.00	DFSP
J. McCoy Lumber Company Ltd	\$36,637.84	McCoy Lumber received \$36,637.84 to purchase roller conveyors and two semi-automatic pallet building machines to reduce or eliminate the risk of injury related to manual material handling, repetitive motion and awkward postures as pallets are currently built by hand.
J.F. Martt & Associates, Inc.	\$450.00	DFSP
J.H.O.C. Inc	\$1,500.00	DFSP
J.P. Weiher & M.J. Marinelli	\$700.00	DFSP
Jack A. Hamilton & Associates, Inc.	\$530.00	DFSP
Jackson County Health Facilities Inc	\$300.00	DFSP
JBC Technologies, Inc.	\$2,532.00	JBC Technologies received \$2,532 to purchase a counterweight stacker to reduce or eliminate the risk of injury related to manual material handling, awkward postures, use of excessive force and slips/trips & falls.
JES Foods	\$360.00	DFSP
John K Leohner Co Inc	\$800.00	DFSP
John William Belt, Jr.	\$500.00	DFSP
K&W Distributing Company, Inc.	\$12,247.79	K & W Distributing Company received \$12,247.78 to purchase an automated shrink wrapper to reduce or eliminate the risk of injury related to repetitive motion such as musculoskeletal disorders.
K.E. Dittmar Company, Inc.	\$850.00	DFSP
Kahl's Electric Inc.	\$449.00	DFSP
Karst & Sons Masonry, Inc.	\$500.00	DFSP
Kauffman Tire	\$3,687.50	DFSP

BWC Safety Grants Awards
FY12 (July 1, 2011 - June 30, 2012)

EMPLOYER NAME	WARRANT AMT	DESCRIPTION
Kelchner Environmental Inc.	\$20,734.08	Kelchner Environmental received \$20,734.08 to purchase vacuum pipe lift to reduce or eliminate the risk of injury related to manual material handling, such as sprains/strains, cumulative trauma disorders due to repetitive motion and struck by injuries related manually rigging pipe.
Kelstin, Inc.	\$4,981.67	Kelstin received \$4,981.67 to purchase skid steer mounted hydraulic breaker to reduce or eliminate the risk of injury related to manual material handling, excessive force, vibration and cumulative trauma disorders associated to excavation and demolition work.
Ken Lugibihl Auto & Truck Sales Inc	\$250.00	DFSP
Kendrick/Mollenauer Painting Co., Inc.	\$500.00	DFSP
Kumler Collision, Inc	\$550.00	DFSP
Lake Geauga United Head Start	\$550.00	DFSP
Lake Shore Cryotronics, Inc.	\$12,478.97	Lake Shore Cryotronics received \$12,478.97 to purchase a custom designed ergonomic lifter to reduce or eliminate the risk of injury related to manual material handling, such as sprains/strains, in addition to the risks associated to awkward postures.
Lake Township, Stark County	\$37,113.60	Lake Township, Stark County received \$37,113.60 to purchase a pothole patching system to reduce or eliminate the ergonomic risk factors associated with manual material handling while repairing streets and roadways, such as strains/sprains, as well as exposure to vehicular traffic.
LCN Holdings, Inc.	\$1,325.00	DFSP
Leeda Northeast Inc.	\$1,500.00	DFSP
Licco, Inc.	\$3,589.33	Licco received \$3,589.33 to purchase a new edge of dock plate which includes a hydraulic 30,000lb wall mounted control station to reduce or eliminate the risk of injury to the upper extremities as well as slips/trips & falls.
Licking/Knox Goodwill Industries, Inc.	\$39,958.13	Licking/Knox Goodwill Industries received \$39,958.13 to purchase a baler with hydraulic conveyor and 113 spring-loaded poly trucks to reduce or eliminate the ergonomic risk factors associated to manual material handling, repetitive motion, and awkward postures.
LifeCare Ambulance	\$30,792.37	LifeCare Ambulance received \$30,792.37 to purchase a Power-LOAD system and 3 bariatric transport cots to reduce or eliminate the risk of injury related to manual handling of patients as they are loaded & unloaded into emergency vehicles.
Lifeshare Community Blood Services	\$12,296.67	Lifeshare Community Blood Services received \$12,296.66 to purchase bench-top linkable sealers to reduce or eliminate the risk injury to the upper extremities from awkward postures, in addition to the risk of musculoskeletal disorders related to repetitive motion.
Lifeshare Community Blood Services	\$1,016.94	Life Share Community Blood Services received \$1,016.94 to purchase an adjustable workbench and anti-fatigue mat to reduce or eliminate the ergonomic stress injuries related to repetitive motion, static posture and prolonged standing.

BWC Safety Grants Awards
FY12 (July 1, 2011 - June 30, 2012)

EMPLOYER NAME	WARRANT AMT	DESCRIPTION
Logan Clutch Corporation	\$40,000.00	Logan Clutch received \$40,000 to purchase electric hoists and workstation redesign modifications to reduce or eliminate the risk of injury related to manual material handling, repetitive motion, awkward postures and excessive force, such as sprains/strains and cumulative trauma disorders.
Lorain County Automotive Systems, Inc.	\$825.00	DFSP
Loroco Industries	\$550.00	DFSP
Lott Industries, Inc.	\$40,000.00	Lott Industries received \$40,000 to purchase a granulator to reduce or eliminate the risk of injury related to manual material handling, such as sprains/strains, slips/trips & falls and cuts or lacerations.
LVI Environmental Services, Inc.	\$750.00	DFSP
M & M Electrical Contractors, Inc.	\$700.00	DFSP
M & M Wine Cellar	\$40,000.00	M&M Wine Cellar received \$40,000 to purchase an automated wine bottling system to reduce or eliminate the risk of injury related to manually material handling, such as sprains/strains, cuts and lacerations, as well as the ergonomic risks associated to prolonged standing, repetitive motion, and grip force during the current bottling process.
MacQueen Orchards	\$8,266.67	MacQueen Orchards received \$8,266.67 to purchase vented bins to reduce or eliminate the risk of injury related to manual material handling, such as sprains/strains, in addition to cuts/lacerations from loose metal and nails protruding from the current wooden crates.
Maggie Transport LLC	\$550.00	DFSP
Mahoning Country Club Inc	\$1,000.00	DFSP
Marietta Ambulance Service, Ltd	\$40,000.00	Marietta Ambulance Service received \$40,000 to purchase 2 power load systems for cots to reduce or eliminate the risk of injury related to manually lifting and loading patients into emergency vehicles.
Marietta Silos LLC	\$495.00	DFSP
Maverick Innovation Solutions LLC	\$40,000.00	Maverick Innovation Solutions LLC received \$40,000 towards the purchase a recycling system and renovation of blast booth to reduce or eliminate the risk of injury related to overexposure to silica during sand blast operations.
Mayfield Village	\$34,588.37	Mayfield Village Fire Department, in Cuyahoga County, received \$34,588.37 to purchase power load system to reduce or eliminate the risk of injury related to manually lifting and loading patients into emergency vehicles.
MCAF, LLC	\$760.00	DFSP
Meade Construction, Inc.	\$40,000.00	Meade Construction received \$40,000 to purchase an articulating boom to reduce or eliminate the risk of injury related to working at elevated heights, such as slips/trips & fall, in addition to strains/sprains from the awkward postures used while working off ladders.
Medical Center Company	\$330.00	DFSP

BWC Safety Grants Awards
FY12 (July 1, 2011 - June 30, 2012)

EMPLOYER NAME	WARRANT AMT	DESCRIPTION
Metcon Ltd	\$40,000.00	Metcon Ltd received \$40,000 to purchase an automated concrete rake to reduce or eliminate the risk of injury related to manual material handling and repetitive motion due to the daily pouring and raking of concrete in construction work
Mid State Restoration, Inc.	\$8,359.93	Mid State Restoration received \$8,359.93 to purchase various new safety tools using dustless technology to be used in concrete finishing work such as saws, grinders, hammer drills, and vacuum systems to reduce or eliminate the risk of injury related to overexposures to silica and noise.
Midtown Maintenance, Inc.	\$390.00	DFSP
Midwest Guardian	\$300.00	DFSP
Mike Coates Construction Co Inc.	\$600.00	DFSP
MLC, Inc.	\$7,599.99	Electro Polish Company (MLC, Inc.) received \$7,599.99 to purchase a power flight bar, trolley and catwalk to reduce or eliminate the risk of injury related to material handling, awkward postures, forceful exertions and contact stress.
Modlich Stone Works Inc	\$650.00	DFSP
Monroe Township, Adams County	\$39,180.78	Monroe Township, in Adams County, received \$39,180.78 to purchase a telescoping boom mower, rotary cutter with hydraulic door/blade to reduce or eliminate the risk of injury related to the manual process of maintaining township roadways, such as sprains/strains, awkward postures, vibration & repetitive motion as well as exposure to inclement weather.
Moore Orchards Farm Inc.	\$40,000.00	Moore Orchards Farm received \$40,000 to purchase plastic bins to reduce or eliminate the risk of injury related to manual material handling, such as sprains/strains, in addition to cuts/lacerations from loose metal and nails protruding from the current wooden crates.
Mother Angeline McCrory Manor	\$570.00	DFSP
Nexgen Enterprises	\$250.00	DFSP
Nolan Company (The)	\$40,000.00	The Nolan Company received \$40,000 to purchase a vertical machining center to reduce or eliminate the risk of injury related to manual material handling, such as sprains/strains, cuts/lacerations, burns and eye injuries from flying debris.
North Toledo Graphics	\$5,629.66	North Toledo Graphics received \$5,629.66 to purchase portable scissor lifts to reduce or eliminate the risk of musculoskeletal disorders related to manual material handling and repetitive bending & lifting.
Northeastern Local School District	\$12,666.67	Northeastern Local Schools District received \$12,666.67 to purchase a scissors lift to reduce or eliminate the risk of injury related to working at elevated heights, such as slips/trips & falls, in addition to strains/sprains from the awkward postures used while working off ladders
OCP Contractors, Inc.	\$40,000.00	OCP Contractors received \$40,000 to purchase 2 drywall cutting machines w/self-cleaning vacuum to reduce or eliminate the risk of injury related to work performed with awkward postures, repetitive motion, cuts/lacerations and exposure to dust.

BWC Safety Grants Awards
FY12 (July 1, 2011 - June 30, 2012)

EMPLOYER NAME	WARRANT AMT	DESCRIPTION
Ohio Pizza Products Inc	\$11,173.33	Ohio Pizza Products received \$11,173.33 to purchase plastic pallets to reduce or eliminate the risk of injury related to manual material handling, such as sprains/strains, in addition to use of excessive force and awkward postures.
Ohio Pizza Products Inc	\$1,720.00	DFSP
Ohio Steel Industries, Inc.	\$2,800.00	DFSP
Olmsted Township	\$1,950.00	DFSP
Olmsted Township	\$1,500.00	DFSP
Optimum Plastics Inc.	\$40,000.00	Optimum Plastics received \$40,000 to purchase a manufactured ergonomic lifting device to reduce or eliminate the risk of injury related to manual material handling of heavy plastic roll stock.
Osnaburg Township	\$40,000.00	Osnaburg Township received \$40,000 to purchase a durapatcher to reduce or eliminate the ergonomic risk factors associated to manual material handling while repairing streets and roadways, such as sprains/sprains, in addition to the risks associated to heavy lifting, repetitive motion and exposure to vehicular traffic.
Owner's Management Co.	\$750.00	DFSP
P E C Inc	\$385.00	DFSP
Packard Forest Products, Inc.	\$26,166.66	Packard Forest Products received \$26,166.66 to purchase an automated tarping system to reduce or eliminate the risk of injury related to manual material handling and awkward postures, such as sprains/strains.
Paisan Pizza, Ltd.	\$676.41	DFSP
Patella's Floor Center Inc	\$1,250.00	DFSP
Patented Acquisition Corp	\$3,550.00	DFSP
Pennant Moldings	\$525.00	DFSP
Perry Township	\$4,239.33	Perry Township received \$4,239.33 to purchase a tire changer to reduce or eliminate the risk of injury related to manual material handling, forceful exertions and awkward postures.
Perstorp Polyols, Inc.	\$7,472.67	Perstorp Polyols, Inc. received \$7,472.67 to purchase a vacuum lift attachment to reduce or eliminate the risk of injury related to manual material handling as 55lb bags of sodium formate are lifted and stacked on pallets.
Piketon Village	\$32,062.00	Piketon Village received \$32,062 to purchase heavy duty collapsible dolly with magnet, utility trailer w/accessories, liftgate, concrete saw, chain saw, and heavy duty dolly to reduce or eliminate the risk of injury related to manual material handling, such as sprains/strains, pinch points, and musculoskeletal disorders related to repetitive motion, forceful exertions and awkward postures.
Pipe Line Development Co (The)	\$18,733.92	The Pipe Line Development Company received \$18,733.92 to purchase an automatic stamping/etching machine to reduce or eliminate the risk of musculoskeletal disorders related to repetitive motion, in addition to the risks associated to manual material handling and forceful exertions.

BWC Safety Grants Awards
FY12 (July 1, 2011 - June 30, 2012)

EMPLOYER NAME	WARRANT AMT	DESCRIPTION
Plasticolors, Inc.	\$32,376.67	Plasticolors received \$32,376.67 to fabricate a fall protection system to reduce or eliminate the risk of injury related to falls from elevated heights.
Pressure Technology of Ohio, Inc.	\$700.00	DFSP
ProCon Professional Construction Svs. Inc.	\$1,000.00	DFSP
Quality Bolt & Screw	\$800.00	DFSP
R. K. Boyd, Inc.	\$15,451.89	R.K. Boyd, Inc. received \$15,451.89 to purchase a tire changer and wheel balancer to reduce or eliminate the risk of injury related to manual material handling, forceful exertions and awkward postures.
Riepenhoff Landscape Ltd	\$350.00	DFSP
Rieser Bros. Inc.	\$25,333.33	Rieser Brothers received \$25,333.33 to purchase a tire changer w/wheel-lift and tire balancer w/wheel-lift to reduce or eliminate the risk of injury related to manual material handling, forceful exertions and awkward postures.
Robert Rothschild Farm LLC	\$550.00	DFSP
Rock Homes, Inc.	\$9,706.00	Rock Homes received \$9,706 to purchase a roof cutter, roof peeler, robot welder and spreader to reduce or eliminate the ergonomic risk factors associated to manually removing and installing roofing tile, such as strains/sprains and musculoskeletal disorders.
Rock Homes, Inc.	\$14,666.67	Rock Homes received \$14,666.67 to purchase boom lift to reduce or eliminate the risk of injury related to working at elevated heights, such as slips/trips & falls, in addition to strains/sprains from the awkward postures used while working off ladders.
RTS Companies INC	\$525.00	DFSP
RV Heating and Air Conditioning, Inc.	\$3,173.33	RV Heating and Air Conditioning received \$3,173.33 to purchase a powermate to reduce or eliminate the risk of injury related to manual material handling, such as sprains/strains.
S.M. Livingston, Inc.	\$25,501.66	Schieber Auto Care, a d.b.a of S.M. Livingston, Inc., received \$25,501.66 to purchase a tire balancer with lift, tire changer with wheel lift and mounting kit to reduce or eliminate the risk of injury related to manual material handling, forceful exertions and awkward postures.
SAI Columbus Motors LLC	\$13,869.46	SAI received \$12,138.64 to purchase a tire balancer with wheel lift to reduce or eliminate the risk of injury related to manual material handling, forceful exertions and awkward postures.
Saline Township	\$33,333.33	Saline Township received \$33,333.33 to purchase 2 power load systems for cots to reduce or eliminate the risk of injury related to manually lifting and loading patients into emergency vehicles.
Sam Lucente & Sons, Inc.	\$11,555.33	Sam Lucente & Sons received \$11,555.33 to purchase a soffcut saw and a concrete vibrator to reduce or eliminate exposure to noise and dust when sawing freshly poured concrete.
Saybrook Township Trustees	\$1,100.00	DFSP
Senco Brands Inc.	\$4,040.00	DFSP
Sensical, Inc.	\$200.00	DFSP
Sensical, Inc.	\$200.00	DFSP

BWC Safety Grants Awards
FY12 (July 1, 2011 - June 30, 2012)

EMPLOYER NAME	WARRANT AMT	DESCRIPTION
Shawnee Animal Clinic, Inc.	\$40,000.00	Shawnee Animal Clinic received \$40,000 to purchase a multi-purpose transport table, 6 rotational exam tables, shower tub, electric grooming table, major dental treatment table, an ultra-lite folding transport stretcher and equine power-float to reduce or eliminate the risk of injury related to the manual handling of animals, such as strains/sprain and the potential for open wounds resulting from animal bites.
Silgan Can Company	\$1,200.00	DFSP
Sisters of Charity of Cincinnati	\$20,442.00	Sisters of Charity received \$20,442 to purchase a food service cart and modified pellet carts to reduce or eliminate the risk of injury related to manual material handling, as well as the potential for crushing injuries due to current food service/delivery processes.
Spencerville Village	\$9,128.93	Spencerville Village received \$9,128.93 to purchase a hydraulic chain saw, hydraulic post driver and puller, manhole cover lift, lift magnet, manhole cover dolly, valve box lifter and wheel chock to reduce or eliminate the risk of injury related to manual material handling while conducting maintenance and repairs for the village.
Spillman Company	\$930.00	DFSP
Springfield Township	\$21,055.33	Springfield Township in Hamilton County received \$21,055.33 to purchase a bariatric powered cot, large body surface bariatric board, and 4 EZ Glide power retrofit kits to reduce or eliminate the risk of injury related to the manual handling & transfer of patients such as sprains/strains, awkward postures and slips, trips & falls.
Star Moving and Storage Company	\$7,370.00	Star Moving and Storage received \$7,370 to purchase powered hand trucks w/accessories to reduce or eliminate the risk of injury related to manual material handling.
Starr Manufacturing, Inc.	\$185.00	DFSP
Stonegate Construction Inc.	\$40,000.00	Stonegate Construction received \$40,000 to purchase a hydraulic hammer, compactor/tamper and angle broom to reduce or eliminate the ergonomic risk factors associated to heavy construction and excavation work, such as sprains/strains, musculoskeletal disorders, cuts/lacerations and noise overexposures.
Summit Academy	\$1,525.00	DFSP
Summitville Tiles, Inc.	\$8,278.27	Summitville Tiles received \$8,278.27 to purchase portable pallets/spring level loaders to reduce or eliminate the risk of injury related to manual material handling and repetitive motion as bags of product weighing in excess of 50lbs are loaded & unloaded from pallets and/or workstations.
Sunfield Inc	\$26,605.93	Sunfield Inc. received \$26,605.93 to purchase tote lifters, electric pallet lift, stacker w/power lift, manual pallet jack and pallet master pallet server to reduce or eliminate the risk of injury related to manual material handling, such as sprains/strains, lacerations, in addition to excessive force and repetitive motion related injuries.

BWC Safety Grants Awards
FY12 (July 1, 2011 - June 30, 2012)

EMPLOYER NAME	WARRANT AMT	DESCRIPTION
Superior Beverage Group	\$40,000.00	Superior Beverage Group received \$40,000 to purchase 4 lift gates to reduce or eliminate the risk of musculoskeletal disorders due to repetitive motion and manual material handling related injuries such as sprains/strains.
SWA Inc	\$2,600.00	DFSP
Sweet Manufacturing Company	\$10,837.63	Sweet Manufacturing Company received \$10,837.63 to purchase a mobile weld fume extractor to reduce or eliminate the risk of injury related to overexposure to zinc oxide.
T & B Electric. Ltd	\$1,217.50	DFSP
Tarrier Steel Company, Inc.	\$13,535.00	Tarrier Steel Company received \$13,535 to purchase a steel rotator system to reduce or eliminate the risk of injury related to manual material handling, such as sprain/strains.
TDS Document Management, LLC	\$1,575.00	DFSP
TEMS Joint Ambulance District	\$40,000.00	TEMS Joint Ambulance District received \$40,000 to purchase a powered load system for cots to reduce or eliminate the risk of injury related to manually lifting and loading patients into emergency vehicles.
The Final Floor Inc	\$50.00	DFSP
The Hammer Company	\$800.00	DFSP
Tolco Corporation	\$650.00	DFSP
Toledo Shredding LLC	\$1,295.00	DFSP
Town Center Construction, LLC	\$660.00	DFSP
Trisco Systems, Inc.	\$1,325.00	DFSP
Tri-Village Rescue Services	\$1,300.00	Tri-Village Rescue Services received \$1,300 to purchase an oxygen cylinder lift to reduce or eliminate the risk of injury related to the upper extremities related to manual material handling of oxygen tanks weighing in excess of 130 pounds.
Trudeau's Fence Co.	\$750.00	DFSP
Turfscape, Inc.	\$1,350.00	DFSP
Tyjen, Inc.	\$10,739.80	Tyjen, Inc, dba Slater Builders Supply recieved \$10,739.80 to purchase an automated shrink wrapper to reduce or eliminate the risk of injury related to repetitive motion such as musculoskeletal disorders, in addition to the potential for lacerations and slips/trips & falls.
United Truck and Car Wash Co Inc	\$800.00	DFSP
Varbros LLC	\$30,382.00	Varbros received \$30,382 to purchase a feeder system to reduce or eliminate the risk of musculoskeletal disorders related to repetitive motion as parts are manually loaded into a tapper for stamping, in addition to the possibility of cuts, lacerations and hand injuries.
Vernon Nagel, Inc.	\$1,275.00	DFSP
VGU Industries Inc.	\$40,000.00	Acchroma, a d.b.a. of VGU Industries, received \$40,000 to purchase a CNC flatbed cutter to reduce or eliminate the risk of injury related to material handling in the cutting & finishing operations of graphic designs.
Village of Barnesville	\$500.00	DFSP

BWC Safety Grants Awards
FY12 (July 1, 2011 - June 30, 2012)

EMPLOYER NAME	WARRANT AMT	DESCRIPTION
Village of Ridgeway	\$20,350.66	The Village of Ridgeway, in Hardin County, received \$20,350.66 to purchase a Holmatro power unit, spreader, cutter, telescoping ram and hydraulic hoses to reduce or eliminate the risk of injury related to manual material handling, awkward postures and excessive force, such as sprains/strains.
Village of Tuscarawas	\$3,559.30	The Village of Tuscarawas received \$3,559.30 towards the purchase of a new waste grinder to reduce or eliminate the risk of injury related to working within confined spaces, blood borne pathogens, strains/sprains and slips/trips & falls.
Village of West Liberty	\$40,000.00	Village of West Liberty received \$40,000 to purchase a wireless water meter reading system to reduce or eliminate the risk of injury related to poor environmental conditions associated to reading water meters manually, such as sprains/strains, dog bites, slips/trips & falls, potential traffics risks and extreme weather conditions.
Village of Weston	\$1,540.00	The Village of Weston received \$1,540 to purchase a portable oxygen tank lift to reduce or eliminate the risk of injury related to manual handling of oxygen tanks as they are loaded and unloaded into emergency vehicles.
VIP Restoration, Inc.	\$28,000.00	VIP Restoration received \$28,000 to purchase a positioner actuator manipulator to reduce or eliminate the risk of injury related to excessive vibration, awkward postures and repetitive motion.
Vitakraft Sun Seed, Inc.	\$5,476.66	Vitakraft Sun Seed received \$5,476.66 to purchase material mover to reduce or eliminate the risk of injury related to manual material handling, such as sprains/strains, as well as awkward postures and forceful exertions.
Volunteer Firemen of Magnolia, Inc.	\$8,347.88	Volunteer Firemen of Magnolia received \$8,347.88 to purchase a thermal imaging camera (TIC) to reduce or eliminate the risk of injury, or possible fatality related to fighting fires by detecting potential hot spots and/or locating a fire source allowing crews to extinguish the fire more rapidly.
Wallover Oil Company, Inc.	\$40,000.00	Wallover Oil Company received \$40,000 to purchase a bulk bag unloader and pneumatic conveying system to reduce or eliminate the risk of injury related to manual material handling, slips/trips/falls and exposure to dust as bags of product are emptied into 2000lb capacity blenders.
Washington Township	\$5,228.33	Washington Township received \$5,228.33 to purchase a ladder storage compartment their quint fire truck to reduce or eliminate the risk of injury related to manual material handling, forceful exertions, awkward postures, and sprains/strains.
Watts Farms Ltd	\$9,468.67	Watts Farm Ltd received \$9,468.67 to purchase a hydraulic chute with trailer to reduce or eliminate the risk of injury related to manually operating a chute used to maneuver livestock, such as sprains/strains, crushing injuries and musculoskeletal disorders from repetitive motion.

BWC Safety Grants Awards
 FY12 (July 1, 2011 - June 30, 2012)

EMPLOYER NAME	WARRANT AMT	DESCRIPTION
Western Reserve Animal Clinic	\$4,019.33	Western Reserve Animal Clinic received \$4,019.33 to purchase a mobile examination/transport table and collapsible folding cart to reduce or eliminate the risk of injury related to the manual handling of animals for examination, such as sprains/strains and animal bites.
Western Reserve Sewing Company	\$40,000.00	Western Reserve Sewing Company received \$40,000 to purchase 2 air tables, panel flanger, and heavy duty tape edge machine to reduce or eliminate the risk of injury related to manual material handling, awkward postures and repetitive motion.
Wheatland Tube Co-Warren Plant	\$19,150.00	Wheatland Tube Company received \$19,150 to purchase a weld bead scarf chopper to reduce or eliminate the risk of injury related to manual material handling, such as sprains/strains, contusions and/or lacerations, awkward postures and burns as a result of the scarf winding operation.
Whitaker Finishing LLC	\$550.00	DFSP
Wilson Bohannon Company	\$2,012.50	DFSP
YAR Corp	\$40,000.00	YAR Corporation received \$40,000 to purchase a gnocchi machine to reduce or eliminate the risk of injury related to manual material handling, such cuts/lacerations, slips/trips & falls, in addition to strains/sprains from awkward postures.
