

Exhibitor Thank You

Connect with Ohio's Health-Care Providers

Fifth Annual Ohio Workers' Compensation Medical & Health Symposium

May 1 - 2, 2020
Greater Columbus Convention Center
400 N. High St., Columbus, OH 43215

Thank you for either registering to attend our 2020 Medical & Health Symposium or for attending our 2019 event. We appreciate your interest in our medical symposium and look forward to seeing you in 2021. We are anticipating record-breaking attendance.

As a precaution to mitigate the spread of the coronavirus (COVID-19), we canceled our 2020 Medical & Health Symposium and refunded fees to our exhibitors. As BWC Administrator/CEO Stephanie McCloud said at the time, "We were disappointed this decision had to be made; however, we had to take this step as the health and safety of Ohioans remain our top priority."

Our exhibitors are an important component of our event each year. This year, our exhibitors represented rehabilitation hospitals, health management, and drug disposal systems, as well as managed care, physical therapy and more. These exhibitors work daily to provide quality, cost-effective healthcare for injured workers to facilitate an early, safe return to work and life.

Although you could not visit these exhibitors in person, we have put together a Medical & Health Symposium Exhibitor Guide that lists each exhibitor. This guide provides information with links to their websites, which can assist you in finding products and services they offer to better serve Ohio's injured workers.

Our exhibitors' support improves our symposium every year. Please take a few minutes and review the Medical & Health Symposium Exhibitor Guide, and feel free to contact each exhibitor directly if you have any questions or would like to learn more about the products they offer.

Save the date! Our 2021 Medical & Health Symposium is scheduled for April 9 – 10, 2021, in Columbus with a pre-conference workshop on April 8th.

We look forward to seeing you next year!

Sincerely,

Deborah L. Kroninger

Ohio Bureau of Workers' Compensation

The backbone of a successful business is its workers, and the backbone of Ohio is its workforce. At BWC, we take our mission to take care of Ohio's workforce seriously.

That's why we're offering Better You, Better Ohio!™ - a program designed to provide health and wellness resources and services to workers who work for small employers (150 or fewer workers) in high-risk industries*.

Better You, Better Ohio! is designed to help both, workers and their employers at no cost and through a simple, paperless process.

Ready to start your journey to better health and enroll in the program? Visit the Better You, Better Ohio! enrollment page to request enrollment or sign up.

Since 1990, QLI has led the nation in delivering life-changing rehabilitation and care to those impacted by brain and spinal cord injury. QLI puts real-world skills and real-world passions first. Injuries aren't the focus of our mission at QLI – people are. That means anchoring rehabilitation around who a person is and who they can still be, forging innovative new ways to harness that identity not just in recovery, but in life beyond.
