

Rehabilitation education for workplace injuries

BWC invites you to find your pathway to safety at the 2014 Ohio Safety Congress & Expo!

Education is crucial to prepare you and your business for what's ahead. OSC14 offers a variety of educational topics, workshops, skill levels and presenters. Regardless of your line of business or experience, OSC14 has a pathway for you.

From general sessions to the exposition, OSC14 will help you prevent worker injuries, provide better outcomes for injured workers and reduce your workers' compensation costs.

Rehabilitation therapists and counselors will benefit from these educational sessions.

- Biomechanical Screens to Assess Injury Risk and Interactive Coaching
- How to Maximize Your BWC Premium Rebate and Lower Claims Costs through a Transitional Work Program
- Shoulder Injuries - Traveling the Maze of Available Care and Return-to-Work Efforts
- Workplace Drug Testing: The Employers' Perspective

OSC14 is the largest and longest-running occupational safety, health and workers' compensation event in Ohio.

- Free registration
- 200 vendors
- 150 workshops, educational sessions and panel discussions
- Continuing education credits for nurses, chemical dependency counselors, case managers, disability management specialists and rehabilitation counselors

You may also consider these sessions on your pathway to safety.

- Destination Excellence: BWC Programs for Workplace Safety, Injured Worker Care and Savings
- Getting Injured Workers Back to Work in Challenging Economic Times
- Reducing Sick Days Due to Chronic Disease
- Return-to-Work Strategies: Avoiding Common Mistakes in Making the Light Duty Job Offer
