NEW VIDEOS

Agriculture and Groundskeeping

Tick Bite Prevention & Response

*ERI Safety Videos*

Educates outdoor workers on where ticks are found, prevent being bitten, recognize the signs and symptoms of the diseases tick can carry including Lyme Disease and Rocky Mountain Spotted Fever. Includes a testimonial from a woman who contracted Lyme disease as a result of a tick bite. Closed captioned. 2017, 16 minutes.

**DVD NO. 490126**

Bloodborne Pathogens and First Aid

Bloodborne Pathogens in First Response Environments

*MARCOM Group, Ltd.*

Presents BBP training for EMS and other emergency response teams including firefighters, paramedics, and police. Discusses sources of infection, the exposure control plan, biohazard labeling, safe work practices, housekeeping, contaminated laundry and equipment, PPE, hepatitis B vaccinations, and post-exposure procedures. Includes resource material. Accompanying guide available. Closed captioned. Streaming available. 2016, 26 minutes.

**DVD NO. 430097**

Burns

*SafetyCare Inc.*

**DVD NO. 430054**

First Aid Awareness

*Summit Training Source*

Demonstrates how to recognize and respond to an emergency situation while keeping the first aid provider safe. Covers moving a body out of danger, sudden cardiac arrest, compression-only CPR, AEDs, choking and bleeding. Includes Spanish version. Accompanying CD-ROM available. Closed captioned in English and Spanish. 2017, 23 minutes.

**DVD NO. 430021**

Healthcare Series: High Blood Pressure

*Digital-2000*

Describes the symptoms, risk factors, prevention and treatment for high blood pressure. Explains what your blood pressure readings mean and how to take your own blood pressure. Includes resource materials. 2013.

**DVD NO. 430008: 10 MINUTES.**

**DVD NO. 430009: 12 MINUTES. IN SPANISH.**
**OSHA BLOODBORNE PATHOGENS STANDARD**  
*Summit Training Source*  
Dramatizes an accident investigation when a new employee is exposed to BBPs while responding to a first aid incident. Discusses specific BBPs, HBV immunization, written plans, modes of transmission, exposure controls, what to do when exposure occurs, and housekeeping. Includes Spanish version. Accompanying CD-ROM available. Closed captioned in English and Spanish. 2017, 27 minutes.  
**DVD NO. 430078**

**CONSTRUCTION**

**CAUGHT-IN/BETWEEN HAZARDS IN CONSTRUCTION ENVIRONMENTS**  
*MARCOM Group, Ltd.*  
Describes three types of caught-in/between accidents and how to prevent them: buried in or by trenching, scaffolding, and demolition; crushed or pinned between vehicles and heavy equipment; and caught and drawn into unguarded power tools and moving machinery. Includes resource material. Accompanying guide available. Closed captioned. Streaming available. 2017, 14 minutes.  
**DVD NO. 400174**  
**DVD NO. 400175: IN SPANISH.**

**COVERED: CREATING A CULTURE OF SAFETY**  
*Resonate Pictures, Inc.*  
Dramatizes a construction foreman’s day on a jobsite teaching a new employee the importance of doing the job the safe way versus taking shortcuts and endangering lives. Uses story to trigger an emotional response to demonstrate for construction workers the importance of safe behaviors to get home to loved ones while protecting co-workers from your own mistakes. Includes Spanish version. 2017, 12 minutes.  
**DVD NO. 400095**

**SILICA SAFETY FOR CONSTRUCTION**  
*Summit Training Source*  
Details health hazards associated with respirable crystalline silica dust and how to use and comply with OSHA’s silica standard for construction. Demonstrates how workers can protect themselves by using engineering controls such as ventilation and water feed systems and other control systems such as personal hygiene and the use of respirators. Includes Spanish version. Accompanying CD-ROM available. Closed captioned. 2017, 12 minutes.  
**DVD NO. 490196**

**STRUCK-BY HAZARDS IN CONSTRUCTION ENVIRONMENTS**  
*MARCOM Group, Ltd.*  
Describes how to recognize struck-by hazards by flying, falling, swinging, and rolling objects. Discusses PPE, vehicular traffic backovers, swing radius of heavy equipment, flying objects from hand and power tools, masonry, overhead work, and building material storage. Includes resource material. Accompanying guide available. Closed captioned. Streaming available. 2017, 18 minutes.  
**DVD NO. 400176**  
**DVD NO. 400177: IN SPANISH.**

**DRIVING**

**DRIVING FUNDAMENTALS: INTERSECTIONS, MERGING AND LANE CHANGES**  
*Video Communications, Inc.*  
Raises awareness to school bus drivers of the differences when driving a bus versus a personal automobile. Reviews driving techniques and preparation including mirror adjustments, traffic signs and signals, merging onto highways, changing lanes, and stopping and turning at intersections. Accompanying CD-ROM available. 2016, 19 minutes.  
**DVD NO. 450204**
NEW VIDEOS | NOVEMBER 2017

INJURY PREVENTION FOR CMV DRIVERS
J.J. Keller & Associates
Illustrates to truck drivers ways to prevent non-driving injuries while working in and around a tractor trailer. Features mounting and dismounting, roadside stops, seated driving positions, loading and unloading cargo, raising and lowering landing gear, and heat or cold stress. Includes bonus videos for tankers and flatbeds. Accompanying guide and CD-ROM available. Closed captioned. 2016, 29 minutes.
DVD NO. 450031

PERSONAL SAFETY & SECURITY FOR CMV DRIVERS
J.J. Keller & Associates
Teaches truck drivers how to recognize threats and protect themselves on the road. Offers tips for planning your route and handling dangerous situations, including road rage, vehicle accidents, mechanical breakdowns, theft, and safety at rest stops and loading docks. Includes hazard perception challenge activities and quiz. Accompanying guide and CD-ROM available. Closed captioned. 2016, 19 minutes.
DVD NO. 450030

ELECTRICITY AND LOCKOUT/TAGOUT

LOCKOUT/TAGOUT: PRACTICES AND PROCEDURES
Summit Training Source
Illustrates why de-energizing equipment and following LOTO is so important to preventing injury and death. Identifies common forms of hazardous energy, how to use energy isolating devices and procedures to bring equipment to a zero-energy state, and special situations such as working with contractors and performing group lockouts. 2017, 19 minutes.
DVD NO. 470052

ERGONOMICS AND OFFICE SAFETY

DISPLAY SCREEN EQUIPMENT
Safetycare Inc.
Addresses the hazards when working with display screens such as computers, tablets, smartphones, cash register displays, LCD monitors, and touch screens. Identifies the appropriate workstation design, environmental factors, and task design when working with this type of equipment. 2016, 11 minutes.
DVD NO. 440023

HAND-ARM VIBRATION SYNDROME
Safetycare Inc.
Raises awareness for the risk of injury to nerves, blood vessels and joints of the hand, wrist and arm caused by prolonged exposure to vibrations when using hand-held or hand-guided power tools or equipment. Identifies symptoms of HAVS, tools and machinery that pose a risk, control measures and safe work practices. 2017, 7 minutes.
DVD NO. 440005

TO THE POINT ABOUT HANDLING MATERIALS SAFELY
ERI Safety Videos
Provides safe work practices to prevent injuries and property damages while transporting loads. Covers PPE, safe lifting techniques, handling wooden pallets, and using hand trucks, carts, dollies, pallet jacks and forklifts. Includes Spanish version. Accompanying guide available. Closed captioned in English and Spanish. 2017, 13 minutes.
DVD NO. 440080
FIRE SAFETY AND EMERGENCY PREPAREDNESS

TO THE POINT ABOUT EMERGENCY RESPONSE

ERI Safety Videos
Teaches employees how to respond to various workplace emergencies including fires, chemical spills and exposure, severe weather, medical injury or illness. Includes Spanish version. Accompanying guide available. Closed captioned in English and Spanish. Streaming available. 2017, 14 minutes.

DVD NO. 410058

HAZARD COMMUNICATION AND CHEMICAL SAFETY

CHLORINE SAFETY FOR WATER UTILITIES

American Water Works Association
Describes the hazards and safe practices when working with chlorine in water and wastewater treatment facilities. Examines basic properties of chlorine, PPE, transport, storage, handling, equipment, emergency response and first aid. Accompanying guide available. Closed captioned. 2013, 24 minutes.

DVD NO. 490044

DEALING WITH HAZARDOUS SPILLS

MARCOM Group, Ltd.

DVD NO. 490199

SAFETY FIRST: HANDLING WATER AND WASTEWATER TREATMENT CHEMICALS

American Water Works Association
Details the hazards for chemicals used specifically in water and wastewater facilities including carbon, sulfate, ammonia, fluoride, acid, lime, soda, ozone, and chlorine. Covers GHS labeling and SDSs, PPE, storage, spill cleanup, DOT placards, and safe lifting practices. Accompanying CD-ROM available. Closed captioned. 2014, 18 minutes.

DVD NO. 490043

WORKING SAFELY WITH COMPRESSED GAS CYLINDERS

ERI Safety Videos

DVD NO. 490033

HEALTH-CARE WORKERS

ADA PRACTICAL GUIDE TO EFFECTIVE INFECTION CONTROL

American Dental Association
Describes for dentists and dental office employees how to use CDC recommendations to minimize risk of exposure to BBPs and other infectious materials. Highlights the fundamentals of infection control, disinfection and sterilization, infection control during clinical procedures, and special considerations. Accompanying guide available. 2016, 34 minutes.

DVD NO. 430064
ADA PRACTICAL GUIDE TO OSHA TRAINING: COMPLIANCE FOR DENTAL PROFESSIONALS
American Dental Association
Provides for dentists and dental office employees an overview of OSHA and general safety standards, focusing on the BBP and hazard communication standards. Accompanying guide available. 2014, 75 minutes.
DVD NO. 430063

BLOODBORNE PATHOGENS IN HEALTHCARE FACILITIES
MARCOM Group, Ltd.
Familiarizes healthcare workers with OSHA requirements for preventing exposure to BBPs. Discusses sources of infection, the exposure control plan, labeling containers, safe work practices, housekeeping, contaminated laundry and equipment, PPE, vaccinations, and post-exposure procedures. Includes resource material. Closed captioned. Streaming available. 2016, 27 minutes.
DVD NO. 430013

HOME HEALTHCARE: ANIMAL CONTROL
Safety Source Productions
Shows home healthcare workers how to recognize the warning signs of an aggressive animal, restrain pets, protect themselves if attacked, and what to do if bitten or scratched. 2017, 7 minutes.
DVD NO. 430148

HOME HEALTHCARE: BODY MECHANICS
Safety Source Productions
Explains to home healthcare workers how to use proper body mechanics to transfer patients reducing the risk of MSDs. Demonstrates how to assess the environment for tripping hazards and use assistive devices such as gait belts and Hoyer lifts. 2017, 14 minutes.
DVD NO. 430149

TUBERCULOSIS IN THE HEALTHCARE ENVIRONMENT
MARCOM Group, Ltd.
Narrates the history and resurgence of TB for health-care workers. Identifies signs and symptoms of latent and active TB, how infections spread, and workplace control plans, including medical surveillance, administrative and engineering controls, PPE, and treatment. Includes resource material. Accompanying guide available. Closed captioned. Streaming available. 2016, 24 minutes.
DVD NO. 430067

INDUSTRIAL SAFETY

INTRODUCTION TO OSHA
MARCOM Group, Ltd.
Presents OSHA’s mission and duties, specifically addressing worker rights, employer responsibilities, workplace inspections, filing a complaint, and additional safety and health resources. Includes resource material. Accompanying guide available. Closed captioned. 2017, 21 minutes.
DVD NO. 420002

LADDER SAFETY FOR GENERAL INDUSTRY
J.J. Keller & Associates
DVD NO. 420045
### SAFETY AWARENESS: ATTENTION TO DETAIL
*Summit Training Source*
Urges viewers to recognize and respect hazards and not to become complacent about personal safety. Provides a general industry orientation to workplace safety, including hazard communication, PPE, fire safety, electrical safety, LOTO, forklift awareness, permit-required confined spaces, BBP, and incident reporting. Includes Spanish version. Accompanying CD-ROM available. Closed captioned in English and Spanish. 2016, 19 minutes.

**DVD NO. 420288**

### WALKING AND WORKING SURFACES: COMPREHENSIVE TRAINING
*ERI Safety Videos*

**DVD NO. 420471: 21 MINUTES.**
**DVD NO. 420472: 11 MINUTES. CONCISE VERSION.**

### WALKING-WORKING SURFACES: WHAT YOU NEED TO KNOW FOR SUPERVISORS & EMPLOYEES
*J.J. Keller & Associates*
Includes two videos, one for supervisors (13-minutes) and one for employees (11- minutes), addressing OSHA’s final rule on walking-working and fall protection standards for general industry. Both videos outline requirements for hazard assessments, inspections, fall protection systems, and training. Includes Spanish version. Accompanying guide available in English and Spanish. Closed captioned. 2017, 24 minutes.

**DVD NO. 420470**

### INDUSTRIAL TRUCKS

#### ORDERPICKER SAFETY
*CLMI Safety Training*
Presents best practices while operating narrow aisle industrial trucks where the operator rides on the platform, also known as order pickers or stock pickers. Includes pre-trip inspections, changing batteries, and using fall protection. Accompanying guide and CD-ROM available. Closed captioned. 2017, 18 minutes.

**DVD NO. 420317**
**DVD NO. 420315: IN SPANISH.**

#### REACH TRUCK SAFETY
*CLMI Safety Training*
Presents best practices while operating narrow aisle industrial trucks where the operator stands sideways while riding and the forks can extend or reach farther than the legs, also known as reach trucks. Includes pre-trip inspections, changing batteries, preventing tip over, steering, and lifting loads. Accompanying guide and CD-ROM available. Closed captioned. 2017, 17 minutes.

**DVD NO. 420314**
**DVD NO. 420313: IN SPANISH.**

### SOCIAL AND BEHAVIORAL WORKPLACE ISSUES

#### ACTIVE SHOOTER (SCHOOL DISTRICT SERIES)
*Safety Source Productions*
Reminds school employees how to respond in an active shooter situation, including run, hide, and fight. Shows what to do if you and your students are in a classroom, hallway, large room, and trapped with a gunman. Streaming available. 2016, 8 minutes.

**DVD NO. 400070**
“HOW WAS YOUR DAY?” GETTING REAL ABOUT BIAS, INCLUSION, HARASSMENT AND BULLYING

*Media Partners Corporation*

Uses memorable scenarios that inspire employees to openly discuss the often-avoided and difficult topics regarding changing unconscious bias, the difference between diversity and inclusion, preventing harassment and hostile work environments, and stopping bullying. Includes resource materials. Accompanying guide available. Closed captioned. 2017, 27 minutes.

**DVD NO. 400053**

**SUPERVISORS**

SAFETY LEADERSHIP: AN ESSENTIAL SAFETY ELEMENT

*ERI Safety Videos*

Asserts that all employees are responsible for being positive safety leaders. Gives examples of how to promote a good safety culture by co-workers speaking-up about unsafe acts, supervisors giving immediate corrective action, and all employees consistently setting a good example. Accompanying guide available. Closed captioned. Streaming available. 2017, 12 minutes.

**DVD NO. 420278**

**MISCELLANEOUS**

WALKING SAFELY IN ICY CONDITIONS

*ERI Safety Videos*

Features EMT/Firefighter Martin Lesperance explaining how and why walking on icy surfaces is dangerous and demonstrating the proper safety precautions and tips viewers should use when walking on snow and ice. Covers wearing proper footwear, getting in and out of a vehicle, and coming inside from snowy conditions. Accompanying guide available. Closed captioned. 2017.

**DVD NO. 490139: 15 MINUTES.**

**DVD NO. 490140: 8 MINUTES. CONCISE VERSION.**
