AGRICULTURE AND GROUNDSKEEPING

HAND SIGNALS
Safety Source Productions
Demonstrates for agricultural workers the ANSI hand signals to use to communicate with tractor operators. 2018, 3 minutes.
DVD NO. 490241

PACKING HOUSE SAFETY
Safety Source Productions
Outlines for agricultural workers safety procedures while working in a packing house including PPE, machine guarding, LOTO, lifting, slips/trips/falls, forklifts, electrical safety, chemical safety, and emergency action plans. 2018, 13 minutes.
DVD NO. 490242

TRACTOR SAFETY
Safety Source Productions
Covers for agricultural workers basic procedures for the safe operation of tractors such as pre-operation checklists, driving in traffic, tractor attachments, and driving on rough terrain and around ditches. 2018, 13 minutes.
DVD NO. 490243

BLOODBORNE PATHOGENS AND FIRST AID

HEAT STRESS: WORKING SAFELY IN THE HEAT
Aurora Pictures
Explains how the human body responds to heat and how to prevent heat-related illnesses. Teaches viewers to recognize and treat symptoms of heat rash, heat cramp, heat syncope, heat exhaustion, and heat stroke. Accompanying guide available. Closed captioned in English and Spanish. 2018, 12 minutes.
DVD NO. 430027

CONSTRUCTION

AERIAL LIFT SAFETY
Safety Source Productions
Raises awareness while using any type of aerial lift. Covers training requirements, inspections, fall protection and operating procedures. 2018, 13 minutes.
DVD NO. 400088

CONSTRUCTION SAFETY BASICS
J.J. Keller & Associates
Presents an orientation of several safety topics for construction workers. Reviews wellness, back safety, material handling, slips/trips/falls, PPE, hazcom, safety signs, electricity, fire, hot work, confined spaces, trenching and excavations, work zones, heat and cold stress, tools, ladders, scaffolds, aerial lifts, heavy equipment, LOTO, emergency action plans, first aid, BBP, HAZWOPER, violence, and recordable injuries and illnesses. Includes Spanish version. Accompanying guide and CD-ROM available. Closed captioned. 2017, 72 minutes.
DVD NO. 400019

TRENCHING AND SHORING SAFETY
Coastal Training Technologies
Emphasizes the dangers of working around trenches. Explains trenches versus excavations, soil classifications, protective systems, safe work practices, and planning for emergencies. Includes resource materials. Closed captioned. 2017, 10 minutes.
DVD NO. 400173
DRIVING

DRIVING THE SCHOOL BUS IN INCLEMENT WEATHER: RAIN STORMS

*Video Communications, Inc.*

**DVD NO. 450205**

DRIVING THE SCHOOL BUS IN INCLEMENT WEATHER: SNOW AND ICE

*Video Communications, Inc.*

**DVD NO. 450206**

REFERENCE POINT TRAINING FOR SCHOOL BUS DRIVERS

*Video Communications, Inc.*
Demonstrates for school bus drivers how to use visual indicators inside and outside of the bus to help execute precise turns, position the bus inside lanes, reverse and park the vehicle. Accompanying CD-ROM available. 2017, 20 minutes.

**DVD NO. 450207**

SAFE DRIVING AT WORK

*Safetycare Inc.*
Identifies the roles of the organization and the individual when driving for work. Encourages drivers to plan for trips, watch their speed, follow the alcohol and drug policy, avoid fatigue or distractions and prepare for emergency situations. Accompanying guide available. 2018, 6 minutes.

**DVD NO. 450116**

SNOWPLOW SAFETY

*Safety Source Productions*
Points out specific safety tips relating to snow plows to increase safety and reduce accidents, injuries, and damages to equipment and roadways. 2018, 11 minutes.

**DVD NO. 450044**

FIRE SAFETY AND EMERGENCY PREPAREDNESS

SAFETY MATTERS: FIRE SAFETY

*Coastal Training Technologies*
Provides examples of fire hazards, classes of fires, when to fight or flee, and types and use of fire extinguishers. Includes resource material. Closed captioned. 2016, 9 minutes.

**DVD NO. 410030**

HAZARD COMMUNICATION AND CHEMICAL SAFETY

HAZMAT TRAINING FOR ALL EMPLOYEES

*J.J. Keller & Associates*

**DVD NO. 490082**

HEALTH-CARE WORKERS

COMMITMENT TO SAFETY

*VideoPro Productions*
Presents a safety awareness orientation for housekeeping, laundry, nursing, kitchen, and maintenance staff of long-term care facilities. Reviews general safety guidelines for safe lifting, resident transfers, handwashing, slips/trips/falls, and responding to an accident. Accompanying guide available. 2017, 29 minutes.

**DVD NO. 430150**
INDUSTRIAL SAFETY

HUMAN FACTOR
Safetycare Inc.
Explains how intentional or unintentional human errors may lead to accidents, injuries, or near misses. Shows how to identify and correct direct and indirect unsafe acts such as mistakes, slips, or organizational failures to prevent the damages and hidden costs of incidents. Accompanying guide available. 2018, 8 minutes.
DVD NO. 420302

SAFETY FIRST: BASIC SAFETY FOR WATER MAIN REPAIRS
American Water Works Association
Demonstrates general safety guidelines to utility crews when repairing water main breaks. Discusses PPE, LOTO, traffic control, and excavations. Accompanying CD-ROM available. Closed captioned. 2013, 14 minutes.
DVD NO. 420291

SCISSOR AND BOOM LIFT SAFETY
Coastal Training Technologies
Focuses on the two popular types of aerial lifts: scissor lifts and boom lifts. Reviews operation and general safety precautions while working on and around this type of equipment including pre-use inspections, using fall protections, and moving and stabilizing the lift. Includes resource materials. Closed captioned. 2018, 9 minutes.
DVD NO. 420453

UNDERSTANDING HAZARDS AND RISKS
Safetycare Inc.
Outlines a framework for hazard analysis and risk assessment beginning with a look at our personal, community, and workplace safety philosophies. Distinguishes between a hazard versus a risk, identifies four main groups of hazards, and emphasizes examining the job task to identify all hazards that exist. Recommended for individuals new to safety. Accompanying guide available. 2018, 12 minutes.
DVD NO. 420303

INDUSTRIAL TRUCKS

FORKLIFT OPERATOR CERTIFICATION SERIES
ERI Safety Videos
Features four videos for a comprehensive forklift operator training program: training & pre-operational inspection (10 minutes); stability (10 minutes); loading & operation (12 minutes); classification & refueling/recharging (13 minutes). Accompanying guide available. Closed captioned. 2018, 45 minutes.
DVD NO. 420311

FORKLIFT TRAINING
J.J. Keller & Associates
Uses explanation, commentary and demonstration to provide a comprehensive forklift training program. Details forklift basics, inspections, operating procedures, and maintenance. Includes bonus videos for non-operator safety, specialized industrial trucks and attachments, and a 12-minute refresher training version. Includes resource materials. Includes Spanish version. Accompanying guide available. Closed captioned in English and Spanish. 2018, 29 minutes.
DVD NO. 420306

PERSONAL PROTECTIVE EQUIPMENT

BREATHE SAFELY: THE PROPER USE OF RESPIRATORY PROTECTION
ERI Safety Videos
Provides employees with an understanding of the respiratory hazards they may encounter and how to use the proper respiratory protection to prevent exposures. Reviews medical evaluations, fit testing, particulate filters, chemical cartridges, air-purifying and supplied-air respirators, user seal checks, and cleaning and disinfecting equipment. Accompanying guide available. Closed captioned. 2018.
DVD NO. 420458: 17 MINUTES.
DVD NO. 420459: 9 MINUTES. CONCISE VERSION.
EYE SAFETY
*MARCOM Group, Ltd.*
**DVD NO. 420299**

HAND, WRIST AND FINGER SAFETY
*MARCOM Group, Ltd.*
Points out how to avoid hand injuries from repetitive motions, awkward positions, and excessive force. Covers how to choose and use the correct tools and gloves to fit the job and your hands. Includes resource material. Accompanying guide available. Closed captioned. Streaming available. 2018, 13 minutes.
**DVD NO. 420082**

PPE LESSONS LEARNED: ONE TIME IS ALL IT TAKES
*Summit Training Source*
Illustrates the importance of always using the appropriate PPE through a fictional documentary following the story of Carl, a worker who learned the hard way why wearing the correct PPE matters every day on the job. Reminds employees of their own role in PPE effectiveness and the potential consequences of not using PPE. Accompanying CD-ROM available. Closed captioned in English and Spanish. 2018, 16 minutes.
**DVD NO. 420894**

SOCIAL AND BEHAVIORAL WORKPLACE ISSUES

ALCOHOL AND DRUG TESTING: WHAT DRIVERS NEED TO KNOW
*J.J. Keller & Associates*
Addresses critical information commercial drivers must be aware of regarding DOT’s alcohol and drug testing requirements. Explains when drivers are subject to testing, testing procedures, consequences of substance abuse, return-to-duty process, and confidentiality. Includes bonus videos on signs and symptoms of alcohol and drug use. Accompanying CD-ROM and guide available. Closed captioned. 2018, 22 minutes.
**DVD NO. 400168**

DIVERSITY AND INCLUSION: A STEP-BY-STEP GUIDE FOR EMPLOYEES
*Kantola Productions*
Uses dramatic scenes, interviews, and scientific research to encourage employees to be open and respectful of other people’s differences. Demonstrates skills to welcome newcomers, communicate and make connections, make small gestures of support, accept others as individuals, and reduce feeling like an outsider in an unfamiliar environment. Closed captioned. 2016, 18 minutes.
**DVD NO. 400047**

DIVERSITY AND INCLUSION: A STEP-BY-STEP GUIDE FOR MANAGERS
*Kantola Productions*
Challenges supervisors to be role models when adapting to a diverse workforce. Addresses setting the tone, communicating, accepting others as individuals, preventing discrimination, being aware of bias, creating support networks, and bridging the gap when feeling out of place in a new or changing team. Closed captioned. 2016, 18 minutes.
**DVD NO. 400048**
NEW VIDEOS | OCTOBER 2018

REASONABLE SUSPICION TESTING: WHAT SUPERVISORS NEED TO KNOW
J.J. Keller & Associates
Details DOT’s regulatory requirements for supervisors of commercial drivers regarding reasonable suspicion determinations. Uses example scenarios to demonstrate the reasonable suspicion process, handling difficult situations, and documenting observed behaviors. Includes bonus videos “you make the decision” learning activity and signs and symptoms of alcohol and drug use. Accompanying CD-ROM and guide available. Closed captioned. 2018, 24 minutes.
DVD NO. 400169

RIGHT/WRONG TO WIN/Win
Media Partners Corporation
Identifies the five-step process to resolve conflicts in the workplace with your peers. Shows how to step away, prepare, focus on the problem not the person, meet face-to-face, and seek a win/win solution. Includes resource materials. Closed captioned. 2018, 13 minutes.
DVD NO. 400043

WORK-RELATED STRESS
Safetycare Inc.
Explains the physical and emotional effects of workplace stress. Describes the factors that cause stress and ways to prevent or reduce stress at work. Accompanying guide available. 2018, 10 minutes.
DVD NO. 460118

WORKPLACE VIOLENCE: RECOGNIZING THE THREAT & ACTIVE SHOOTER: HOW TO SURVIVE
Aurora Pictures
Includes two videos on workplace violence (8 minutes) and active shooters (7 minutes). Demonstrates how to identify when a coworker becomes aggressive and de-escalate potentially violent situations and dramatizes an active shooter scenario showing how to protect yourself and interact with law enforcement. Accompanying guide available. Closed captioned in English and Spanish. Streaming available. 2017, 15 minutes.
DVD NO. 400062

SUPERVISORS

MANAGER MOMENTS: HOW TO BUILD A HIGH-PERFORMING TEAM
Media Partners Corporation
Explores how to build and improve teamwork among staff through seven short, micro-learning programs. Demonstrates how to assess team strengths and needs, build unity, diagnose problems, improve communication, mediate a dispute between employees, restore unity, and understand the stages of a team. Includes resource material. Closed captioned. 2018, 50 minutes.
DVD NO. 460200

MANAGER MOMENTS: HOW TO EXCEL IN TRICKY SITUATIONS
Media Partners Corporation
Leads viewers through recognizing and addressing potentially troublesome employee situations through five short, micro-learning programs. Deals with how to curb employee gossip, deal with difficult peers, manage upward, manage time thieves, and when to delegate. Includes resource material. Closed captioned. 2015, 35 minutes.
DVD NO. 460201

MISCELLANEOUS
