**#261 Ohio Fire Code Update 2011 – Intermediate**

8:15 to 9:15 a.m. – Thursday, March 29

This session will cover the new 2011 update to the Ohio Fire Code and reference National Fire Protection Association Standards. The presenter also will answer questions regarding these updates as it may pertain to those facilities that require annual inspection from the Ohio Fire Marshal Office. You will be able to identify new chapters in Ohio's Fire Code; define National Fire Protection Association (NFPA) and other referenced standards in the updated Ohio Fire Code; and describe what the updates mean to the inspection process.
