Ohio Safety Congress & Expo

**#324 Texting, Talking and Risk – Basic**

1 to 2 p.m. – Thursday, March 29

Driving and medical experts share the facts about this dangerous new trend in driving. See actual medical case studies and their tragic aftermath. The presentation will cover the risk of cell phone distractions, and policies and procedures for safe vehicle operation. You will be able to describe the driving risks from cell phone distractions; and explain policies and procedures for safe vehicle operation.
