

#385 Comprehensive Safety Analysis (CSA) 2010: Implementation and changes, Part 2 of 3 – Basic

2:15 to 3:15 p.m. – Thursday, March 31

This session provides an update to last year's CSA 2010 initiative, changes to the initial proposal and how it affects the motor carrier industry. You will be able to describe how the initial proposal led to the CSA 2010 final version.

Developed by the Motor Carriers committee

Presented by Jeff Davis, vice president of safety & human resources, Jet Express, Dayton; and Gerry Krisa, vice president of safety, R & L Carriers, Wilmington
