

**#201 New American Heart Association guidelines – Basic
9 to 11 a.m. – Tuesday, March 29**

This session will cover the new American Heart Association (AHA) guidelines for 2011. For the first time in several years, the AHA has made many changes in the guidelines and will implement them this year.

You will be able to explain changes in the guidelines for CPR for health-care providers, ACLS and PALS; and describe the benefits of implementing the new guidelines.

Developed by the Emergency Medical Services committee

Presented by American Heart Association, Columbus
