Safety Committee Charter

Purpose
The purpose of the committee is to bring all ________________ employees together to achieve and maintain a safe, healthful workplace.

Goal
The goal of the committee is to eliminate workplace injuries and illnesses by involving employees and managers in identifying hazards and suggesting how to prevent them.

Objectives
The committee has four objectives:
1) Involve employees in achieving a safe, healthful workplace;
2) Promptly review all safety-related incidents, injuries, accidents, illnesses, and deaths;
3) Conduct bimonthly workplace inspections, identify hazards, and recommend methods for eliminating or controlling the hazards;
4) Annually evaluate the workplace safety-and-health process and recommend to management how to improve the process.

Representatives
The committee will have #____ representatives. #____ of the representatives will represent employees from each department and #____ will represent management. Employee representatives can volunteer, or their peers can elect them. Management will select management representatives. Each representative will serve a continuous term of at least one year. Terms stagger so that at least four experienced representatives always serve on the committee.

Chair and vice-chair
The committee will have two officers: Chair and Vice-chair

The chair will be an employee representative and the vice-chair will be a management representative.

Terms of service
Chair and vice-chair will each serve a one-year term.

Duties of the chair (employee representative)
• Schedule regular committee meetings;
• Develop written agendas for conducting meeting;
• Conduct the committee meeting;
• Approve committee correspondence and reports;
• Supervise the preparation of meeting minutes.

Duties of the vice-chair (management representative)
• In the absence of the chair, assume the duties of the chair;
• Perform other duties as directed by the chair.
Election of chair and vice-chair
The election of a new chair or vice-chair will be held during the monthly committee meeting before the month in which the incumbent’s term expires. If the chair or vice-chair leaves office before the term expires, an election will be held during the next scheduled safety-committee meeting; the elected officer will serve for the remainder of the term.

Training
New representatives will receive training in safety-committee functions, hazard identification, and accident-investigation procedures.

Meetings
The committee will meet the ______ (#) ________________ (day of week) of each month, except when the committee conducts bimonthly workplace safety inspections.

Attendance and alternates
Each representative will attend regularly scheduled committee meetings and participate in bi-monthly workplace inspections and other committee activities. Any representative unable to attend a meeting will appoint an alternate and inform the chair before the meeting. An alternate attending a meeting on behalf of a regular representative will be a voting representative for that meeting.

Agenda
The agenda will prescribe the order in which the committee conducts its business. The agenda will also include the following when applicable:
- A review of new safety and health concerns;
- A status report of employee safety and health concerns under review;
- A review of all workplace near misses, accidents, illness, or deaths occurring since the last committee meeting.

Minutes
Minutes will be recorded at each committee meeting and distributed to all employees. The committee will submit a copy of the minutes to the personnel office. The office will retain the copy for three years. The minutes will include all reports, evaluations and recommendations of the committee. The minutes will also identify representatives who attended monthly meeting and representatives who were absent.

Voting quorum
Six voting representatives constitute a quorum. A majority vote of attending representatives is required to approve all safety-committee decisions. The committee will forward issues not resolved by majority vote to management for resolution.

Employee involvement
The committee will encourage employees to identify workplace, health and safety hazards. Employees will present concerns raised by employees to the committee in writing. The committee will review new concerns at the next regularly-scheduled monthly meeting.

Safety log
The committee will maintain a log of all employee concerns, including the date received, recommendations to management and the date it resolved the concern.

**Response**
The committee will respond to employee concerns in writing. It will work with management to resolve them. The committee will present written recommendations for resolving concerns to management. Within 60 days of receipt of the written recommendations, management will respond in writing to the committee indicating acceptance, rejection or modification of the recommendations.

**Incident and accident investigation**
The committee will review new safety- or health-related incidents at its next regularly scheduled meeting. Safety-related incidents include work-related near misses, injuries, illnesses and deaths. When necessary, the committee will provide written recommendations to management for eliminating or controlling hazards.

**Workplace inspections**
The committee will conduct bimonthly workplace inspections of all company facilities in January, March, May, July, September, and November.

**Written report**
The committee will prepare a written report for management that documents the location of all health or safety hazards found during inspection. The report will recommend options for eliminating or controlling the hazards. Within 60 days of receipt of the written report, management will respond in writing to the committee, indicating acceptance, rejection, or proposed modification of the recommendations.

**Evaluation**
The committee will evaluate the company’s workplace-safety-and-health program annually and provide a written evaluation of the program to management. The committee will also evaluate its own activities each December and use the evaluation to develop an action plan for the next calendar year.
