

Public Employers: The future is in your hands

What's it going to take for you to get a handle on your workers' compensations costs? It's up to you — lower workers' comp costs and a safer workplace are within your reach.

Attend the Ohio Bureau of Workers' Compensation's (BWC's) 2003 Public Employer Summit to get the assistance you need. The summit will explain premium savings programs, show you how to save money, and enable you to partner with BWC experts.

Don't wait. Register for one of the summits today:
