

All of us at BWC honor those workers who tragically lost their lives during policy year 2010 (July 1, 2010 to June 30, 2011).

Applications for death claim benefits were filed on behalf of the individuals below following the 2011 Fallen Workers Memorial, meaning these individuals were not included in the roll of the fallen during last year's ceremony. These claims are either approved or pending in adjudication as of August 29, 2012
